

A new type of service for home builders

As little as
\$639 MONTHLY
 will finance
\$200.00 remodeling

No ready cash is required to remodel, repair, reroof, or insulate. And the extra room or garage you need can be built now and paid for out of income.

Remember that your home, whether large or small, is worth only as much as the quality of the material you put into it. This is as true in remodeling as in building an entire new home. Convenient financing will permit you to maintain an adequate standard of quality.

We gladly provide free, accurate estimates, recommend a reliable contractor if desired, and arrange for payment in small monthly amounts.

OUR HOUSING GUILD DISPLAY ROOM is filled with ideas for making the most of every dollar

THIS extraordinary exhibit is a rich source of information and inspiration for all who are planning to build or remodel. Materials and products are displayed in a manner that makes it easy to visualize their effectiveness and practicability for any type of construction work. Prominent architects have

cooperated in presenting an excellent collection of appropriate small-home designs and floor plans. Miniature scale models of houses are shown. And there are scores of profitable ideas for use in remodeling.
