Kenilworth Ranks High in Scouting Activity: Report

Clifford Speer, Scout executive of the North Shore Area council, Boy Scouts of America, when interviewed this week concerning Scout progress in this area said:

"Citizens of Kenilworth should be proud of the record achieved by their leaders in the Cubbing and Scouting program. Almost every boy of Cub age, namely, ages 9, 10, and 11, is a registered Cub in Pack 60 and almost every boy aged 12, 13, and 14 is a Scout. In Scouting there are many boys aged 15, 16, and 17, who are registered.

There are 61 Cubs registered in Pack 60 and 94 Scouts registered in Troop 13. The Cub leader and Scout leader of these two units is Robert Townley. The assistant Scout leaders in Troop 13 are: Chester Hogle, Norman Hart, John Kneipple, Dick Purdy, George Simons.

There are few communities in America that have membership approaching this percentage. Without doubt the program that is given in each of these units is responsible for this commendable situation. Great credit should be given to the leaders in this youth movement.

Flying Club Unit Holds Session at Community House

By Robert Ehrler

A special meeting of the Spread Eagle Flying club was held at Winnetka Community House Monday, January 22. The guest speaker was Larry Lawver, an air lines representative and an executive assistant of the Aircraft Owners and Pilots association of the Chicago unit.

Mr. Lawver entertained the group with colored motion pictures depicting a recent trip through Texas and California. "Doc" Potter, flight chaplain of the Army at Municipal Airport in Chicago, and president of the entire club, presided over the meeting.

The functions and operations of the club were explained and candidates for membership were received. The North Side branch of the club is operating the club's airplane at the Waukegan airport. The ship is a Welch 40-horsepower trainer and has proved very popular with the flying students. The club has under contract planes of all classes, ranging from 40 horsepower on up. The Lockport (Ill.) School of Aeronautics and the Washington Park airport are two excellent ports available for the use of club members. The club is a non-profit organization chartered by the state of Illinois. Visitors are welcome to inspect the ship at the Waukegan airport. Information concerning the club may be had by contacting Albert Bock, 523 Main street, Evanston, president of the North Shore branch; or Robert Ehrler, 807 Rosewood avenue, Winnetka.
