### CHRISTIAN SCIENCE SERVICES

"Love" will be the subject at the services in First Church of Christ, Scientist, in Wilmette Sunday morning, August 5, held in the edifice at 1003 Central avenue. Sunday school convenes at 9:45 o'clock.

Nancy Wilds, 244 Oxford road, Kenilworth, returned Wednesday of last week from Ephraim, Wis., where she visited Margaret Potter of Evanston at her parents' summer home. Nancy entertained Sunday at a beach party in honor of her house guest, Patricia Molt of Chicago.

### Christian Science Churches

"Truth" was the subject of the lesson-sermon in all churches of Christ, Scientist, on Sunday, July 29.

The golden text was, "Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day" (Psalms 25:5).

Among the citations which comprised the lesson-sermon was the following from the Bible: "O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill, and to thy tabernacles" (Psalms 43:3).

The lesson-sermon also included the following passages from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth and Love enlighten the understanding, in whose light shall we see light; and this illumination is reflected spiritually by all who walk in the light and turn away from a false material sense" (p. 510).

### ON HIKE IN EAST

Lincoln C. Torrey and his son, Dick, 1341 Elmwood avenue, are enjoying a hundred-mile hike over the Presidential and Franconian ranges of the White Mountains in New Hampshire accompanied by the former's brother, Dr. Norman L. Torrey of Swarthmore college. They visited Niagara Falls, Toronto, and Montreal on their eastern trip and expect to conclude their travels at Portland, Maine.

### Triple Automobile Crash Has Aftermath in Court

An automobile accident at Sheridan road and Lake avenue Sunday afternoon will have its denouement in police court Friday. E. G. Rouse, 2000 Lincoln Park West, Chicago, driving a LaSalle car north on Sheridan road, stopped for a red light. Just behind was a Buick car driven by Miss Rose Bell, 910 Michigan avenue, Chicago, who is connected with the Chicago Sanitary district. She also had stopped for the red light. Behind these two was another car driven by Sahrud Kerkochian, 814 Foster avenue, Chicago, which crashed into the car of Miss Bell and knocked it against that of Mr. Rouse. In the ensuing argument Kerkochian, it is said, offered to pay for repairs to the two damaged cars if taken to a garage of his selection. Owners of the cars would not consent to this, and as a result the two signed complaints against Kerkochian, who gave bond for his appearance in court.

### STEAL TOOLS, BATTERY

Thursday night of last week burglars broke into the garage of North Shore Chevrolet Sales, Inc., 611 Main street, gaining entrance through a side window. The loot consisted of tools to the value of \$60, and a battery taken from a truck.

Mr. and Mrs. George H. Doering, while on their way back to St. Louis after a honeymoon in the east, visited Mr. Doering's brother and family, the Walter Doerings of 1335 Chestnut avenue, for several days. They left for St. Louis Monday.
