

SPORT AT OWAKONZE CAMPS

A number of north shore boys are spending the summer in the Canadian north woods at Camp Owakonzé, one hundred miles from Port Arthur, Ont. The camp is owned by W. L. "Duke" Childs, athletic director at New Trier High school.

Canoe trips are a big feature of the camp. The picture at the right shows a group of north shore boys on such a trip, cooking breakfast over their camp fire. Reading from left to right they are: Ralph Raclin, Harry Miller, Ed Galloway, Howard Seesel, Peter Weis, Jack Wright, and Frank Wyle.

On these trips the boys often see moose, deer, and bear. The ambition of every boy is to ride a moose. These animals are quite harmless while swimming in deep water.

The fishing is exceptionally fine in Baril lake and the surrounding lakes. Salmon trout, lake trout, pickerel, wall-eyed pike, and Great Northern pike abound. Ben Shambaugh (left), a junior, is shown with his day's catch.

Mrs. Paul Gathercoal of 2411 Thornwood avenue, is leaving Friday with her baby daughter, Peggy Jo, and her son, Forrest James, for a summer vacation with her family in Portage, Wis. Mr. Gathercoal will be with his family week-ends.
