## WIND FOILS RACERS . . . .

The wind foiled the Snipe race Saturday by dying out. For two hours the boats sat, becalmed, and finally one by one they put about and returned to the harbor under power of the ever reliable paddle.

The Wilmette Sea Scout Snipe, 'Noreaster', the two Winnetka Sea Scout Snipes and two other Snipes participated in the race. It was planned to start five minutes after the Star boat race, at 3 o'clock, but as one boat had trouble getting out of the mouth of the harbor the race didn't begin until near the finish of the Star race.

The course was; south around the Evanston water works buoy, north-east around a green spar buoy and then to the harbor. As none of the boats rounded even the first buoy, there was no official end to the race.

## IN PREPARATION . . . .

In preparation for the forthcoming race next Saturday, the Scouts have scrubbed down the bottom of their boat and are getting the rigging and equipment in racing shape.

## THE ARGO . . . .

All hope of getting the S.S.S. Argo in the water this season has been abandoned. The Argo, a Coast Guard life boat is in dry dock in the Sea Scout lot with her bottom planking off. The frames are in bad shape and the Sea Scout officers are 'at sea' as to what to do with them.

CANOE CAPSIZES IN  
STRONG WIND . . . .

The canoe 'Seahorse' capsized Sunday in strong southeast wind just out of the mouth of the harbor. The Coast Guards arrived at the scene of the accident in time to pick up a wet canoe sail and see two very wet Sea Scouts paddle the canoe back to the Sea Scout dock.

Camp Track Meet Won by  
Shawnee; Cheyenne 2nd

A few days ago we had our camp track meet. There were four different events—high jump, running broad jump, discuss throw and the dash. There was a junior and a senior contest for each event. Ribbons were given away at the Court of Honor, and records of the winners will be kept for the future years. The ribbon color and rank was blue first, red second, white third. Each village had two men for each event, except the discuss, in which there were four contestants from each village. Shawnee won the meet and Cheyenne came in second.—Fred Leeman.

Rival N. Shore Schools  
Begin Annual Feud Early

At camp Ma-Ka-Ja-Wan this summer there were boys from more than one township. In the main lodge at mealtime there was constant cheering for one or the other of two high schools, Deerfield and New Trier. The two schools decided to have a touch football game Wednesday afternoon. It was a very exciting game. There was much enthusiasm

Track Meet Is  
Big Event at  
Ma-Ka-Ja-Wan

Probably the most outstanding event at Camp Ma-Ka-Ja-Wan this summer was the track meet. It was held each period. This is the first year a track meet has been on the camp program and it has turned out a big success. The villages competed against each other in the different events.

The events were as follows: junior broad jump, senior broad jump, junior dash, senior dash, junior high jump, senior high jump, and the discuss, which was open to all. The boys weighing under 110 pounds were classed in the junior section and those over 110 in the senior class.

There were ribbons for the different places in the meet. The blue ribbon was given for first, the red ribbon for second, and the white ribbon for third.

The third period Shawnee won the meet, Cheyenne placed second, Delaware third and Blackfoot last.

The meet would not have been a success had it not been for the helpers. They were Howard Copp, Jim Mooney and Buck Wise.

Boys From 3 Towns  
in Shawnee Village

During the third period at Camp Ma-Ka-Ja-Wan the Shawnee village was composed of eight Waukegan Scouts, Troop 30 of Highland Park and Troop 52 of Deerfield. Our village leader was John Derby, and he was ably assisted by Scoutmaster Jim Russell of Troop 52.

During the third period the rival schools of Waukegan and Deerfield (both had representatives at camp) combined, and, fighting as one village, took the track meet. Wally Reeds, Don Anderson and Charles Stanger were stars with a combined total of twenty-one points.

Thursday night we were all saddened by the loss of the universal "Whitey" Goodale who had to return on account of the illness of his mother. We surely missed him.

We must leave now, much to our regret, but we'll be back next year for a bigger, if not a better, time.

Cheyenne and Shawnee  
Treasure Hunt Winners

Last week the camp turned out for a big treasure hunt. The teams were Delaware and Blackfoot against Cheyenne and Shawnee. We walked around the lake and received our messages from the signal tower on the hill back of camp. Delaware and Blackfoot took the south trail while Cheyenne and Shawnee took the north trail. The north trail went back across the lake and out Whip-poor-will trail to route 55. It went around 55 to the old railroad bed and through a swamp back to camp. Cheyenne and Shawnee won the hunt, bringing back eleven of the thirteen notes. The treasure was watermelons. The winning villages got two watermelons apiece while the losers got one apiece.

on both sides. Deerfield had a snake dance between halves. The game ended 0 to 0. It was a great game and was enjoyed by all.
