

other things Simonson tells us that "only in Soviet union was it evident that contemporary stage settings were considered worthy material for a museum. Almost every theater maintains its own museum, where models of its most important productions are preserved in chronological order."

The story of the theater of Soviet Russia is too long even to sketch briefly here. These Russian models reflect every phase of modern theater expression, from cubism, futurism, pro-unism, expressionism to constructivism.

Match Play Tourney at Illinois Club Aug. 25

Tuesday was Ladies' Day at Illinois Country club, due to the fact that the men took over the club in a big way on Wednesday with their annual stampede. And it was a real stampede, for every golfer of any repute, and some with none, were there in a turnout that began before sunrise and lasted until long after sunset.

Saturday, August 25, will occur the match play tournament against par. Each contestant will be allowed his full handicap.

Sunday, August 26, prizes will be awarded for low gross and low net in the morning play. Taken all in all, these are busy days for Illinois Country club members.

BACK FROM CANADA

Cy MacKinnon, 321 Leicester road, Kenilworth, and Jack Byrne, 150 Oxford road, Kenilworth, returned Sunday from a vacation of six weeks in Ontario. After they had been in camp about a month they caught a calf moose and later gave it its freedom. They took their canoe up with them by motor. Sunday, August 12, they met Cy's parents at Eagle river.

ON CANOE, MOTOR TRIP

Tom Cruttenden, Val Smith, and Paul Cornell, all of Kenilworth, motored recently to Winton, Minn., going from there by canoe to Lake Raney, then Superior National Park, and thence to Owakonze camp. They traveled for ten days and remained in camp for a few days. By the time they return they will have covered about 260 miles, some of their portages being from a quarter to one and three quarters miles. The boys will be gone for three weeks.
