

## Magician, Dancers, on Club Program Tonight

Henry S. Roethig, a magician who has entertained royalty with his tricks, will have part of the program tonight (Thursday) at the Wilmette Woman's club. He shares the program with the Mary Belle Ingram dancers, who have appeared at the club before and were received most enthusiastically. Dinner will precede the program. Mrs. George D. Conlee is chairman of the committee in charge. Late tickets and reservations may be secured by calling Mrs. Walter Meier of 910 Elmwood avenue. This affair is a ways and means project and is given as a benefit for the building fund.

Mr. Roethig is said to be unique and great in his work, and is considered one of the cleverest entertainers of the day. He will present a large number of new and mystifying "sleights" in his Wilmette program, it is promised.

## Welfare Center Starts Season Next Monday

The Wilmette center of the Infant Welfare Society of Chicago meets Monday, October 15, at 2 o'clock, in the lounge of the Woman's club. This is a group whose interest is a unified one of care, feeding, and pre-school work for babies of less fortunate people in Chicago.

To this end each person, when she becomes a member, pays dues; comes to the meetings, sews on the garments and finishes as many as possible; goes to the station, the Alice H. Wood station at 1964 North Halsted street, when assigned that part, or if she cannot go, arranges for some other one to take her place; acts as hostess in her turn, for always a cup of tea adds to friendships; lends her assistance as far as possible to helping the chapter maintain its share of the care of the station for which it is responsible.

Everyone belonging to Infant Wel-

fare has these things in mind for she knows the mothers of this station are needing the moral, physical, and financial help given. Also she knows from the records, who needs this help, where, and why, it is needed, and has seen at the station the real need.

That's the reason for the Mile of Pennies. The membership of this chapter is divided into teams and a contest is on to see which team garners the most feet (seventeen pennies to a foot), in this drive to collect a mile of pennies. So far the race has been close—Monday may show a great surprise, the center prophesies.

Every member is interested and will surely be there with substantial help for the captains and enthusiasm for sewing. Mrs. Knight Blanchard, social chairman, announces the following hostesses: Mesdames J. W. Beuttas, C. C. Bennett, L. L. Ingwersen, C. N. Evans, A. S. Biser, Philip Beebe, I. J. Badger, S. S. Bradford.
