Youthlastic!  
"STRETCHES BOTH WAYS"

— smooth, seamless hips — no wrinkles or ripples — just a lovely flowing line.

— Talon slide fastener hidden away in the small of the back where it won't show. Easy to close against strain.

— fine, gleaming satin with "feather-stitching" trim at center front and concealed bones to smooth tummy.

Just look how it grips down over the back hips — it always stays in place, too, because it's of firmly woven Youthlastic.\*

A "Ring-Low" brassiere is fastened down to the girdle in back, giving a bare back clear to the waist, yet it softly rounds and uplifts the bust.
