

## Braun Bros. Now Distributors of Shell Gasoline

Information of exceptional importance to north shore motorists comes this week in the announcement by Braun Bros. Service Stations (owned and operated by Braun Bros. Oil Co.) that the concern has "Changed to Shell" gasoline. By this move Braun Bros. add this nationally famous gasoline to the present line-up of popular products offered north shore residents at conveniently located service stations.

Another important announcement concerns the appointment of Braun Bros. Service Stations as official Exide Battery stations in this locality.

By virtue of this action Braun Bros. now offer an amazingly complete line-up of nationally advertised products immediately available at all their service stations.

Since its organization nine years ago, Braun Bros. Oil company has been owned and is at present owned entirely by its present officers and employees.

Phil H. Braun, president of the concern, has this to say about the change to Shell gasoline:

"We are pleased to offer Shell gasoline to the north shore. We wish to assure our friends that this change will make it possible for us to supply a gasoline of recognized quality and to give increasingly better service."

Carl L. Braun, vice-president, says: "We have always tried to give our customers the best products and the best service. This change to Shell is one more step toward that ideal."

Robert F. Doepel, secretary-treasurer, says:

"We've changed to Shell gasoline. We now offer this nationally advertised brand of gasoline to our thousands of service station and fuel oil customers. This is one more link in our complete service to north shore residents."

## School Boys and Rotary Men Hear Baseball Talk

Lew Fonseca, official representative of the American League of Professional Baseball clubs, gave an illustrated talk on the national pastime at the Howard school auditorium Wednesday afternoon of last week. Boys in the seventh and eighth grades in the public schools, as well as members of the Wilmette Rotary club were guests. Mr. Fonseca was brought to Wilmette by Daniel M. Davis, director of athletics in the schools, through the courtesy of William Harridge, president of the American league who is a resident of Wilmette. Mr. Fonseca was a guest at the Rotary club luncheon that day.
