MISERICORDIA PARTY

The early reservations secure the best positions for tables at the annual supper dance for the benefit of Misericordia hospital, the committee in charge announces. The event will take place at the Palmer House on Thanksgiving eve. "The encouraging number" of tables already reserved for advantageous places indicates to the committee that "the affair promises to be as successfully financially as it always is socially."

Mrs. James Schade of Akron, Ohio, is visiting her sister, Mrs. John Carpenter, and children, of Evanston, formerly of Kenilworth.

Kenilworth Girl Scout News

On Monday, November 12, there was a meeting of Troop No. 4, Kenilworth Girl Scouts, in the library of the Joseph Sears school. The leaders inspected their patrols for neatness. The newer girls worked on Scout laws and knots, while the others worked on signaling and made plans for a Christmas entertainment. The girls who had finished cutting their napkin rings of birch shellaced them and the other girls went home. —Charlotte Wilds, scribe.

The Kenilworth Girl Scouts, Troop No. 1, held a Hallowe'en party in place of their regular meetings on October 31. They first played games in the Scout room at the school and then had a progressive dinner at the homes of some of the mothers. Those who helped in giving the best party the Scouts have ever held were Mrs. Hale, Mrs. Becker, Mrs. Sowers, Mrs. Henderson, Mrs. Brock, Mrs. Burch, Mrs. Hazelet and Mrs. Bonnet. At each home games were played and prizes were awarded. A gruesome tale was told at the end of the party.-Betty Bonnet, scribe.

Invite Motorists to "Driver Forum"

In the interest of safer automobile driving Evanston is to hold a "Driver's Forum," to which citizens of Wilmette are invited, according to a letter signed by Mayor Charles H. Bartlett and addressed to President C. P. Dubbs. The letter reads:

"I wish to extend to you and your citizens a cordial invitation to attend the Driver's Forum, to be held at the Nichols school auditorium, Greenleaf street and Elmwood avenue, Evanston, on the evenings of Monday, November 19 and 26, at 8 o'clock. This forum is sponsored by the Evanston Safety council and the Bureau of Accident Prevention in the interest of better and safer driving.

"Among the features will be a preview of Walt Disney's new picture, 'Once Upon a Time.' Another moving picture will be shown.

"A talk on the driver and safety will be given each week. The schedule lists the Hon. Clifford Davis, vice-mayor and commissioner of fire and police, Memphis; Curtis Billings of the National Safety council, and L. A. Crittenton of Chicago.

"On both evenings there will be a question box, presided over by Judge Harry Porter of our Municipal court. Questions on all phases of the driver's problems and responsibilities will be answered."

Pointing out the many advantages of such a forum, President Dubbs urges that as many citizens as possible accept the invitation so generously extended by Mayor Bartlett.

Mrs. George L. Carey of 115 Robsart road, Kenilworth, left on Sunday, November 4, for a visit at Asheville, N. C.
