AT A MEETING HELD ON THE DAY OF 1934.

ATTEST:
President, Village of Wilmette
Mayor, City of Chicago

Major Street Plan as Developed by the Wilmette Plan Commission

The proposed new streets and existing streets to be improved are described on another page of this paper. Large plats are now posted in the council chamber of the Village hall, where they will remain until the evening of December 4. Citizens of the village are invited to inspect them and submit to the Plan commission any suggestions for changes or improvements. If the council chamber is closed a key may be obtained from the police department.
