### R. W. Child Next Lecturer Before N. S. Temple Forum

Richard Washburn Child, former American Ambassador to Italy, and recently special envoy of the Administration to Europe, speaks before the North Shore Congregation Israel Forum in Glencoe on the "Changing Structure of Governments Everywhere" Tuesday evening, December 4, at 8:15 o'clock.

Mr. Child has had a distinguished public career. Graduated from Harvard in 1903, he was admitted to the New York Bar three years later and practiced law until 1917 when he entered war finance work in the United States Treasury department. Following the war, he became editor of Collier's Weekly, which post he resigned to become United States ambassador during the second Wilson administration. While in the diplomatic service, Mr. Child represented the United States at the Genoa and Lausanne Conferences.

Upon his return to this country, he became chairman of the National Crime commission. His recent visit to Europe as economic envoy of the State department marks his return to the diplomatic service. His findings have been published in part in a significant newspaper series, which indicate the interesting substance of what he will have to say from the lecture platform. Mr. Child is also the author of numerous novels and books on public questions.

Course tickets for the remaining five lectures which will include such outstanding men as Dr. George E. Vincent, George E. Sokolsky, and John Strachey, and Dr. Arthur Holly Compton are now on sale at reduced prices. Tickets may be purchased at the office of the temple (telephone, Glencoe 725) or from Mrs. Barnett Faroll, chairman, 741 Prospect avenue, Winnetka (telephone, Winnetka 609).
