SEA SCOUT
SHIP
OUILMETTE

NEW PLAN . . .

A new plan for the meetings of Sea Scout Ship Ouilmette was decided upon last Friday night by the officers and crew of the ship at the first meeting of the winter season. The plan is as follows:

The regular meeting, a snappy one lasting an hour and a half, will start at 7:30 o'clock every Monday evening at the Wilmette Baptist church. This meeting will be under the direction of two officers, K. R. Borgen and F. Maas. The time will be devoted to the passing of tests and all technical work, which will include a class on the principle and operation of gasoline marine engines and motors.

Another meeting under the direction of D. E. Hall will be called to order promptly at 7:30 o'clock each Friday evening at the shop, on the Sea Scout lot. Mechanical work will be the object of this meeting and will include the building and repairing of boats, and any mechanics in connection with the class in engines.

Victors in Snipe Race Receive Williams Cup

Sea Scout Ship "Albatross II" of Winnetka, on Tuesday evening of this week, held an open house and "bridge of honor." The bridge of honor in Sea Scouting is comparable to the Boy Scout court of honor. One of the features of the program was the awarding of the Commodore Williams cup for "snipe" class boats piloted by Sea Scouts, to Ewing Johansen and Bartlet Price who are the winners in 1934's race, sailing the snipe, "Gladiator." The presentation was made by Robert F. Doepel, district chairman of Winnetka.

The final session of the fall term of the University of Scouting will be held next Monday night, November 26, at Christ church, Winnetka. The meeting will be the sixth one of this term and a short social gathering will conclude the final session. Approximately fifty men have been enrolled in the course and have been studying ways and means to do their particular job better. At last Monday night's meeting, H. R. Smith, former scoutmaster of Troop 35, Highland Park, spoke to the men enrolled in the elementary course on the subject, "Adequate Outdoor Program for Scout Troops."
