Schedule of registration days under which Kenilworth citizens who have not already done so may add their names to the permanent registration rolls was announced this week by Courtenay C. Davis, 243 Leicester road, village clerk.

Voters may register at the Kenilworth village hall, 419 Richmond road, on any of the following Monday evenings: December 13, 20, and 27, and January 3, 10, and 17, between 7:30 and 8:30 o'clock, he announced.

Those who desire to register in the city may do so at the office of the county clerk in the County building, any day between December 6 and January 20, Mr. Davis added.

The new Illinois permanent registration law requires every citizen to register before they may vote at the regular elections.

Invite to Thank Observances at St. John's Church

Thanksgiving Day will be observed at St. John's Lutheran church, Wilmette and Park avenues, in a special service beginning at 10 o'clock. The Sunday school will attend in a body, and the children as well as the older members will bring thank-offerings of fruit and canned goods. These will be taken to the Lutheran orphan homes in Addison on Friday morning.

The Thanksgiving Day sermon will be based on the hymn, "Now Thank We All Our God," written by Martin Rinckart in 1644, near the end of the Thirty Years war.

A cordial invitation is extended to those who have no church-home, to join in this service of thanksgiving.

Paul T. Gilbert, Jr., is at home from the University of Wisconsin to spend the Thanksgiving holiday with his parents.

CHINA-JAPAN HOSTILITIES LECTURE THEME

Mrs. Theodore Roosevelt, Jr., at Sunday Evening Club November 28

An eye-witness account of the war between China and Japan will be given this Sunday evening by Mrs. Theodore Roosevelt, Jr., before the New Trier Sunday Evening club in New Trier high school auditorium at 8 o'clock. Her topic will be "The China Situation." She and her son Quentin went to Shanghai last summer for a holiday and were trapped, along with several thousand other foreigners, in China at the outbreak of hostilities with Japan.

Harrowing Experiences

Her experiences were harrowing. She stood in a window on the eighth floor of a building and saw two bombs explode in the river Bund 150 feet away, sending up geysers of water which rose higher than the building in which she was watching. Eight minutes after she and Quentin left the Cathay hotel, six bombs fell on it. A delay in finding their car was the only thing which saved them from the bombing of the Great World Circle, from which 37 truck-loads of dead were later removed.

Mrs. Roosevelt will tell of air raids, airplane combat, bombings, and the terror of natives and refugees in that precise, colorful way which endears her to audiences. She will describe her escape from Shanghai on a refugee-jammed tender through a harbor sprayed with anti-aircraft fire. And arriving in Manila, she and Quentin were greeted by an earthquake which shook the island and upset the furniture in their hotel rooms.

Ordered Home

At this juncture friend husband cabled twice. "Hereafter you will stay at home" and more firmly, "I repeat, hereafter you will stay at home." Mrs. Roosevelt is home again on American lecture platforms where her thrilling story on China is as welcome as have been her stories on the Philippines and Asiatic travel.

Half-price family subscriptions at \$5 a family are available for the balance of the New Trier Sunday Evening club season. They may be applied for at the door.

Mr. and Mrs. Mark W. Cresap, Woodley road, are going to New York for Thanksgiving to visit their daughter, Mrs. Samuel Comly. Mrs. Cresap expects to be away for a week.
