

Bring On Your Champs; New Trier Cage Team Is Rarin' to Scrap

Indian Hill Boys Pin Back Ears of West Allis Five

By Woody Wilson

Wisconsin or Illinois—it makes no difference from where the competition hails; New Trier's current basketball heroes treats them all alike; possibly not in the proper manner of a successful host, but satisfactory to the culmination of Trevian desires for a champion.

Anyway, West Allis High school, from the neighbor state, succumbed to the rapid-fire attack of New Trier, 35 to 24, last week.

Morton was to provide the opposition this Friday at the Winnetka gym. It will be the third league contest for the locals. Previously they have beaten Waukegan and Oak Park.

Truly Fine Team

The consistent scoring ability of the Triermen stamps them as a truly fine team, thus far living up to all the fine forecasts made early in the season.

Now, however, with a total of six wins to their credit, they are faced with a tougher guy to lick than any team which has faced them.

"Over-confidence" is the name of this enemy of all outstanding athletes. Undoubtedly the best team in years, this group may find themselves victims to lesser team who will be eager to grasp opportunities provided by the typical looseness of play which characterizes "cockiness."

Paces Point-Makers

For the second game in a row, Dick Reynolds paced the grey-green point-makers with 14 this time. It was the second time, also, that he made all his points on field goals. Last time out he had dropped 11 baskets for the season record of 22 points.

Johnny Deacon, rangy center, displayed prominently his worth as a tip-in man, following up team mates' shots. He had nine points.

SPEND CHRISTMAS IN EAST

Mr. and Mrs. Rudolph Heiser and their son and daughter, Rolland, and Marilou, have returned to their home at 525 Ridge road, Kenilworth, after spending the holidays on Long Island, dividing the time between relatives of Mr. and Mrs. Heiser. Just prior to his departure Mr. Heiser was honored by the men of his office who gave him a party and presented him with a golf bag and clubs.

Mrs. Jacques Willis, 1606 Forest avenue, Wilmette, left the early part of this week for Florida. She will spend several months at Hollywood. Her daughter, Mary Jacqueline Willis, returned Monday to Kemper Hall at Kenosha, Wis., after a two weeks' holiday. While here she entertained as her week-end guest a Kemper Hall classmate, Miss Jane Mitchell, who formerly lived in Winnetka.

High School Teacher Has Busy "Vacation"

David E. Johnson, director of the commerce department of New Trier Township High school, spent a busy holiday week in Chicago attending conferences. On Monday, December 27, he attended a luncheon meeting of the Chicago area business education directors association in which prominent commercial educators from the mid-western states took part.

On the same afternoon he attended the meeting of the national council of business education as a delegate representing the Illinois State Commercial Teachers' association, of which organization he was president during 1937. On Tuesday, Wednesday, and Thursday he attended meetings of the national commercial teachers federation at the Sherman hotel.

This is the largest organization of commercial teachers in the country. It has two divisions: one for teachers and owners of private commercial schools and colleges and the other for teachers and officers of public schools—and colleges that include commerce courses in their curricula. Mr. Johnson was elected president of the public schools division for 1938.

New Trier Rifle Squad Wins 1st Silver Trophy

The rifle team of New Trier is the possessor of its first silver trophy having won second place in Class "C" in the National Rifle association junior inter-club competition for the October to December series of matches.

ings, wood-blocks, stencils, and silk designs, done by Chinese students of high school age. The art department has sent an exhibit of the work of students in New Trier High school's art department to China, and are awaiting word of its safe arrival. The exchange was made possible through Mrs. Elizabeth A. Kidd, member of the faculty.

REAR-END COLLISION

Early Wednesday morning as R. T. Winter, 2750 Bernard place, Evanston, was driving his car north on Ridge road, he stopped at Lake avenue for the red light, and was struck in the rear by a car driven by Paul S. Thomas, 7401 Sheridan road, Chicago, also going north. Winter signed a complaint against Thomas, charging him with reckless driving.

Mr. and Mrs. Roderick Clark, 1046 Elmwood avenue, and their children, Bonnie Dhu and Cole, arrived home Tuesday from a motor trip to Florida. They were away for three weeks and visited various parts of the state.

Bill Needler of Evanston was the houseguest of his cousin, Robert Wetzel of 116 Fifth street, for the Christmas holidays.
