

Church News

(Continued from Page 10)

N. Perrill. Luncheon will be served at 1 o'clock.

CHURCH ANNUAL MEETING

Thursday, January 20, is the date set for the church annual meeting. Dinner will be served at 6:30 by the Cozy Corner circle. There will be election of officers of the church and a brief presentation of the "Annual Broadcast."

An added attraction of the evening will be the presentation of "The Valiant" by the Kappa Pi Phi Dramatic club. This play was well received at its first presentation, December 3, and the many requests for a second production are being granted on this night. There will be no admission charge, but a plate offering will be received.

All members and friends are cordially invited to attend.

KAPPA PI PHI

The talk and movies by Mr. Bruce on "Japan and the Pearl Divers," which has been unavoidably postponed for several weeks, will be the feature of the evening this Sunday at 5:30 o'clock. Tea will be served immediately following the meeting. All young people of high school age are cordially invited to be present.

ABRACADABRA

Abacadabra will meet Friday, January 7, at the home of Mr. and Mrs. Merlin G. Bush, 1518 Washington avenue. The assisting hosts will be Mr. and Mrs. A. W. Farrall.

CUB SCOUT PARTY

The Cub Scouts will have a party Friday evening, January 7, at 7:30, in the junior room of the church. All cubs and their parents are invited to be present.

College Selection
to Be Exhibit Topic
at New Trier Jan. 15

The important question of college selection for high school graduates will be answered at New Trier High school on Saturday afternoon, January 15, from 4 to 6 o'clock, and 7 to 11 o'clock. Representatives from 50 leading universities will explain the objectives, social life, and academic advantages of the particular schools to interested students and parents.

After hearing the reactions of persons who attended a similar exhibit held recently by Evanston High school, it was concluded that a college exhibit at New Trier would serve as a convenient method of obtaining information concerning all types of schools and problems not usually covered in college catalogues and similar material, it was explained.

The advantages of this type exhibit lie in the fact that parents have a better opportunity to contact college representatives. Under the present system conferences are held during school time and it is harder for both parents and students to attend; also students who attend the private conferences are usually more definite in their college selection. At the college exhibit those students who need help regarding their college selection will benefit from discussions with several different representatives, school officials said.

Motion Pictures

While the main exhibit is going on in the dining hall, motion pictures will be shown in the auditorium. This project is the first of its kind at New Trier and is sponsored by the student council.

Matthew P. Gaffney, superintendent, said yesterday "As an additional opportunity for students and parents to get information about higher institutions, the college day planned by the student council should prove to be a valuable experience."

Lists of students who are cooperating in the various school departments and lists of the colleges to be represented will be announced next week.
