

Women's Republican Club Will Make Endorsements Next Monday

Prof. Earl De Long to Speak at Luncheon Meeting

The endorsement meeting of the Women's Republican Club of New Trier to be held Monday, March 28, promises to be one of the most interesting of such affairs in the club's history. It is to start at 12:30 with luncheon, the business session following at Winnetka Community House. Reservations for the luncheon must be made by Friday, March 25, at Community House. It is announced.

As usual, this meeting is limited to members of the club, for at such endorsement meetings the candidacy of various men running for public office is discussed and voted upon after presentation and recommendation by the Advisory board. The endorsement of the Women's Republican Club of New Trier is said to be eagerly sought by all candidates for public office, for its approval of a citizen's candidacy has carried great weight with the voters in this district in the past. The assurance that such endorsements as the club gives are made with no ulterior motives is considered one of the main reasons for the growth of the club to almost twelve hundred voting members.

Professor De Long Speaks

Immediately after luncheon, the club is to hear Earl De Long, assistant professor of political science of Northwestern university. Professor De Long, who is also chairman of the Civil Service commission of Evanston and a member of the National Republican Committee on Program, was one of the few men invited to speak at the recent Chicago meeting of the program committee and made, in the opinion of many who heard him, the best speech at that meeting. He is to talk on Monday on, "Today's Job for the Republican Party."

Advisory Board Session

The Advisory board of the club is to meet at Community House immediately preceding the luncheon. Presiding over both meetings will be the president of the club, Mrs. Edward B. Hall.

As chairman of the social committee of the club, Mrs. Benjamin F. Affleck has been busy with her committee on details and plans for the luncheon which indicate that it will be not only one of the most attractive meetings of the organization but one of the largest, judging by the reservations being made for it.

Miss Mary McKay, supervisor of music in the Wilmette schools, and Samuel Mages, instructor in brass and percussion instruments in the elementary schools, plan to attend a national conference of music educators in St. Louis next Sunday through Friday. Mr. Mages will assist in the demonstration work.

The conference will mark 100 years of music teaching in the public schools of the United States as well as 100 years of public school education in St. Louis.

In addition to the general sessions and section meetings, there are to be a number of vocal and instrumental clinics and in these laboratory periods, a number of experts will lead the discussion of their various fields.

A CORRECTION

It was incorrectly stated in a caption under a photograph of Miss Rosemary Real of Wilmette published in WILMETTE LIFE last week that she was a member of the properties committee for "Anne of Green Gables," the play the senior class of Roycemore was to present Thursday evening, March 17, at the school. It was the senior class of the Marywood school in Evanston which gave the play. WILMETTE LIFE regrets this error.
