"C" LEAGUE

All the teams in the "C" Basketball league have taken the motto—"Beat the Unknowns." The Ridge Runners came close to it last Wednesday night. At the half, the Ridge boys led 23 to 21, and maintained a small margin throughout the second half until but 30 seconds was left to play. The Unknowns were shooting from all over. Andrews made a basket to tie the score with 20 seconds to play. Andrews intercepted the throw in of the Ridge Runners and made the winning score, as the final whistle blew.

The Flashes took a 44 to 30 win over the Terriers to come out of the cellar position in the standings. The Flashes went into an early lead and held the advantage for the game. Bill Ford, usually a big scorer for the Terriers, was held to four points, which influenced the outcome of the game.

The Wacker A. C. lost, 22 to 33, to the Demons. Captain Bill Smith of the Demons was hot in the first half, scoring eight points, which, with the basket he made in the second half, gave him the scoring honors for the game.

Camp in Skokie
Valley Will Be
Host to Public

With favorable weather conditions Civilian Conservation corps officials at Camp Skokie Valley are planning to entertain more than 5,000 visitors at the camp on Harms road and the project in the Skokie between Willow and Dundee roads, Friday, April 1, and Sunday, April 3, fifth anniversary of the camp.

Plans for the affair are being formulated along the same lines as marked a similar observance of the fourth anniversary a year ago, which was enjoyed by hundreds of North Shore residents.

Dinner April 1

There will be a dinner on April 1 in one of the company's mess halls, for specially invited guests, who will also be conducted on a tour of inspection of the project while the men are at work.

Sunday, April 3, will be open house, when the public will be given an opportunity to inspect the entire project.

The Skokie lagoons development is one of the largest CCC projects in the United States, and Camp Skokie Valley is the largest camp of its kind in the Civilian Conservation corps. At present there are six companies totaling 1,200 enrollees.

E. J. Lundin is principle project

superintendent, under the National Park service, and Major George E. Cook is camp commander.

Free-for-All Chess
Tourney on Monday

A free-for-all chess tournament will be held at the next regular men's Athletic and Games meeting of the Wilmette Baptist church at 7:30 o'clock Monday evening, March 28.

Representatives of the New Trier Chess club, the Methodist Young Men's club, other chess organizations, and individual Wilmette chess enthusiasts will be welcome. A small charge will be made for refreshments. Free instruction in chess will be available. Further information about the tournament may be obtained from Henry L. Beach, 1114 Ashland avenue.

Since the National Board of Playground and Recreation Activities sponsored the game of chess over one thousand people of all ages have learned the game in Milwaukee's parks and playgrounds alone. This is an indication of the great impetus the game has had in recent years.
