## Lenten Retreat

### Is Plan for Guild

**All-Day Meeting for Methodist Guild Includes Special Lenten Observance**

The regular monthly meeting of the Woman's guild of the Wilmette Parish Methodist church will be held on Thursday, April 7, commencing at 10 o'clock in the morning. The afternoon session at 1:30 o'clock will continue the Lenten Retreat which was so effectively presented at the March meeting.

The general sewing chairman, Mrs. N. A. Booz, will meet with the divisional sewing chairmen in the morning, Mrs. Luella Tucker, Mrs. Staver Moulding, Mrs. Paul Hardman, Miss John Petty, Mrs. J. C. Martin, and Mrs. W. N. Waidner, and the other members of the six divisions. This group is completing a very splendid piece of work demonstrating what ability coupled with perseverance and a real heart interest can accomplish. Dozens of small articles will accompany a gift of fifty well-made shirts for the Lake Bluff orphanage.

At 10:30 o'clock Mrs. A. L. Fuller will preside over the executive board meeting and a complete attendance is urged as matters of importance are to be discussed, among which is the spring Rummage sale on May 19 and 20. Mrs. Horace Young and Mrs. C. Rollin Smith are in charge of this event, the proceeds to be divided between the six divisions taking part. Mrs. M. C. Greigg will present details of the annual spring luncheon to be held on May 5, arrangements being in charge of the five divisions.

Luncheon will be served by the second division, of which Mrs. Harold O. Hayes is chairman.

The afternoon session at 1:30 o'clock will continue the Lenten retreat. Supplementing the spiritual enrichment program being emphasized by the pastor during the Lenten period, graphic phases of the inner life will be woven together with music and poetry, providing, it is hoped, an hour of inspiration to which all women are invited.—A.H.

## Neighbors Assured

### Cay Entertainment

**Clever Impersonator, Mimic, Actress, and Hobo Reporter to Be at Club Tuesday**

"Excruciating" is the word for her. So say those fortunate enough to have heard Elyse Joy, entertainer at the next meeting of the Neighbors of Kenilworth to be held at the Assembly hall, April 5. Miss Joy is called the "Hobo Reporter of America," and it is her experiences as such which she will give in her own inimitable rollicking manner at 2:30 on that afternoon.

Speaking of Miss Joy, The Record, of Stockton, Cal., said, "Her appearance Tuesday was nothing short of a riot. It's her keen trick of observation and her rubber face that she can twist into a thousand shapes."

Born a mimic, at eighteen Miss Joy was a star reporter, and later became one of the most competent newspaper women in New England, serving on several leading dailies. But along with her newspaper work she developed into a most capable actress of genuine quality and originality. Indeed, originality, backed up by a lively and engaging personality, is the keynote of her entertainment. Her unique experiences as a newspaper woman, and her remarkable crossing of the continent as a hobo reporter, have given her an apparently inexhaustible fund of stories, some of them thrilling personal adventure. These she tells with the cleverest of impersonations.

Spring is in the air and all one needs now is an excuse to laugh. But the appearance of Miss Joy seems to assure those able to be present no escape from a gay delightful afternoon full of laughter.

The hostess for the tea following will be Mrs. Cedric Smith, assisted by the social committee.—M.W.

## Spring Salad Bridge Is Party for Woman's Club

One of the first garden parties of the spring will be the spring salad and bridge Wednesday, April 6, at 1 o'clock, at the Woman's Club of Wilmette. It will be an indoor garden party with flowers and flowering plants everywhere, to give the appearance of springtime in the garden.

Each table will have a prize and there will be many other attractive prizes besides.

At the tea for her committee, at her home last Tuesday afternoon from 4 to 6, Mrs. Arthur Stanten, chairman of the party, made the final arrangements with her committee for the event.

The salad and the sandwiches will be made by the committee and something "special" is planned both for the salad and the sandwiches.

The party will be one of the last ways and means projects of the club year. Mrs. Howard Ringholm is completing a remarkably successful and prosperous year as chairman of the important committee which puts on projects to add to the club's building fund.—F.B.M.
