Drama Club Appears at Club Conference

The Winnetka Drama club, Thursday morning of this week, at 10:30 o'clock, presented the first scene of the second act of "The Silver Cord," at the annual Drama day of the Conference of Club Presidents and Program Chairmen at Fullerton hall of the Art institute. This group was one of four from the Chicago area selected and invited to give a performance today, in recognition of outstanding work in drama productions.

Taking part in the play, which, when first produced was directed, as it was today, by Hope Summers, were Mrs. Harrison L. Mettler of Hubbard Woods, Mrs. Bertil Hilner of Winnetka, Jeanne Miles of Evanston, Marjorie Hurtubise of the school of speech, Northwestern university, and Sam Barton of Chicago. A fifty-dollar prize was to be awarded to the group selected for the most finished performance.

A one-act play, a scene, or a cutting of a play could be chosen for presentation. By request, the Winnetka drama club repeated the scene from one of its recent productions.
