"Early Diagnosis" Campaign Launched by C. T. I. April 1

The Chicago Tuberculosis Institute, with which the Wilmette Health Center is affiliated, announces that the 11th annual "Early Diagnosis" campaign will officially begin April 1.

National, state and local tuberculosis associations will join with the institute in a concerted nation-wide effort to eradicate tuberculosis in America. The campaign's slogan is "Tuberculosis Undiscovered Endangers You." Its program will emphasize the urgent need for immediate diagnosis of all disease, particularly tuberculosis.

Program Is Enlarged

In Chicago and Cook county the Institute's program has been enlarged to reach into the home, the school and industry. Special programs of health maintenance and disease prevention will be presented by the Institute's Child Health service, Negro Health service, Field and Clinic service, and the Industrial Health department.

In 35 Cook county communities special health programs are being presented by the institute's 22 registered public health nurses. Health conference, motion picture showings, tuberculosis, chest and infant clinics at the Institute's 17 Health Centers, exhibits and discussion groups will be a part of the program to disseminate valuable tuberculosis information.

Need Co-operation

Mrs. Theodore B. Sachs, executive director of the institute in commenting on the program remarked, "our campaign would make greater headway if each individual, rich and poor, urbanite and ruralite, young and old would regard it as his individual responsibility to know how he stands in relation to tuberculosis."

Special health literature to be distributed during the campaign points out the advisability of consulting the family physician immediately upon the onset of ill health. Statisticians estimate that in 1937 500,000 persons suffered from tuberculosis and 70,000 died from it. Institute officials stated that tuberculosis can be prevented if the individual, the family and the community will do its part.

OUILMETTE K. C. LEAGUE

Bowling results of March 24:

Capt. Doc Genster of Hicks Krier hoisted his team up to second place two games away from first position. The Hicks Kriers took three games from the Wilmette Battery and Electric. Doc Genster had a series of 603 with games of 186, 206, and 211. Ray Bartell of Hicks a 590 series which included a 230 game.

A 576 series by Gene Matteoni enabled Alten's Mortuary to take two games from the Nelson Laundry, thereby whittling the Nelson's lead to two games.

Ace Motor Sales won the odd game from Schaefer's Tavern. Joe Schmitz of Ace Motor Sales had 550 and Capt. Harry Leis of Ace had 549.

Evanston Paint and Glass nosed out Scott's Morticians in two games. Marcel Kneip was high man with a 207 game for Wilmette Theater when the theater took the series from Frank Meier, Jr.

Braun Brothers Oil lost the series to Bungalow Tavern. Frank Biederer's 212 game for Bungalow Tavern led the way.

When Bill Connor's Boosters beat River Inn twice, they dropped the Inn to third place. Peter Thalmann with the Boosters had a 216 game.

Wilmette Ice moved into a third place tie by winning two from Shimonek Service. Capt. Paul Bleser of Wilmette Ice had a 559 series.

Chain Letter Vogue Is Revived; Boosts Badgerow Candidacy

The "chain letter" vogue, which passed over the North Shore with considerable fury a few years ago, has been revived.

This time, however, no financial obligations nor emoluments are involved.

Here's the low-down:

Harve G. Badgerow, prominent Winnetka civic leader is Republican candidate for State Central Committeeman for the Tenth Congressional district (which includes the North Shore), at the Primary election April 12.

So-o-o, a number of Mr. Badgerow's good friends have circulated a chain letter, calling upon villagers to affix their signatures to a wholesale endorsement of the candidate. Already the movement has gained remarkable momentum with the prospect that Mr. Badgerow promises to be a very popular candidate by the time Primary election day rolls around.

Each signer of the Badgerow-candidacy letter is asked to make ten copies of the letter, affix and mail to ten friends, a procedure calculated to roll up a huge endorsement record within a few days.

The State Central Committeeman post carries no remuneration, and election, rather than nomination, takes place at the primaries. Although it is an office which receives little attention from the voters, it is an important and responsible one, for it is the function of the State Central Committee to manage all party affairs in the state, to run the state convention, and to adopt a party platform. This body has in the past been very influential in naming candidates for state offices. The right man can, it is pointed out, be of considerable influence in the party.

SPEAKER

Louis Linck, secretary of Les Comrades d'Combat of Chicago, a unit of the French war veterans' organization, will be the speaker at the meeting of Wilmette Post, American Legion, Monday evening, April 4, at the Wilmette Masonic temple.

Horner-Courtney-Jarecki Group to Speak at New Trier

Tonight (Thursday) at 8 o'clock, in the auditorium of New Trier High school, the voters of the township will have an opportunity to see and hear all the "big shots" of the Horner-Courtney-Jarecki group of contestants for nomination at the April 12 primaries.

This group, admittedly out to defeat the regular Democratic organization slate and make political scrap iron of the Kelly-Nash machine, is prosecuting a vigorous and aggressive fight for the support of the voters. Locally, the campaign is under the leadership of Thomas J. Lynch of Glencoe, New Trier Township Democratic committeeman, himself a candidate for reelection (the committeeman being elected in the primary, not just nominated.)

Horner Heads Speakers

Mr. Lynch states that Governor Henry Horner will positively be at this meeting, and is expected to speak at 8:50 o'clock. He adds that practically every candidate on the Horner-Courtney-Jarecki ticket will be there. The highlights are as follows:

Scott W. Lucas, candidate for United States senator, will open the fireworks at 8:30, to be followed at 8:50 by Governor Horner, and, in turn, by the following:

State's Attorney Thomas J. Courtney. T. V. Smith, now representative in the general assembly, and Thomas O'Hearn, candidates for congressmen-at-large.

Frank A. Jensen, candidate for superintendent of public instruction, who is scheduled to speak at 9:30.

Edmund K. Jarecki, present County judge and a candidate for renomination, who was allegedly ditched by the Kelly-Nash machine because of too rigid enforcement of election laws.

Louie E. Lewis, candidate for State treasurer; Adam F. Bloch for clerk of the Supreme court; Robert J. Burdette, candidate for representative from the 7th senatorial district; Ralph E. Sinsheimer of Winnetka, candidate for the state senate, and the following candidates for County commissioners from the country towns: Edward T. Arnold, James Ogden Basta, Albert H. Brandt, William T. McAndrews and John A. Zimny.

Boost Local Men

Locally, interest centers in the candidacy of Thomas J. Lynch for Democratic township committeeman, and Ralph E. Sinsheimer for state senator. Their especial objective, they do not hesitate to state, is to keep the Kelly-machine from gaining control over New Trier township.

Mr. Lynch, as program director for the meeting, states that the speeches will be interspersed with music and other entertainment.

ON VACATION

Cadet Howard S. Henderson, a student of the Western Military Academy at Alton, Ill., will visit his parents, Dr. and Mrs. H. H. Henderson of Wilmette, during the school's spring vacation. The cadets will be dismissed on March 30 and will report back on April 4.

CHANGE RESIDENCE

Mrs. Edith Gersdorf and her son-in-law and daughter, Mr. and Mrs. Leonard Prochnow, moved March 1, from 504 Park avenue, to 116 Park avenue. Mrs. Gersdorf has recently been in Palm Beach, Fla., for three weeks visiting her mother, Mrs. Stella Happ.

GOES TO PALM BEACH

Miss Rosalie Harrison, daughter of Mr. and Mrs. William H. Harrison, 901 Ashland avenue, is leaving New London, Conn., Saturday of next week for a ten-day stay at Palm Beach, Fla., where she will attend a houseparty. Miss Harrison is a student at Connecticut college.
