

Church School Group Will Pay Tribute to Bertha C. Wheelock

The First Congregational church school will observe the third Palm Sunday service honoring the memory of Bertha C. Wheelock, who devoted 25 years teaching in the Primary department.

Inspired by Miss Wheelock's efforts to further world friendship, the program committee chose the great Christian leader of Japan, Toyohiko Kagawa, for the central theme, with Robert Edgar, educational director, talking on "The Wisdom of Kagawa."

The Junior choir, under the direction of Miss Emily Roberts, organist, will sing Jacob's arrangement of "Brother James' Air." Others who are participating in the program are Joan Benner, Nancy Pierson, Bill Bartlett, Edward Gross and Dr. John G. Hindley.

Friends and former students of Miss Wheelock will be interested in knowing that plans for a World Friendship library, dedicated to the memory of Bertha C. Wheelock, have been received whole-heartedly by all those who knew her. The offering for Palm Sunday will be used to buy additional books for this library.

Ushers for the service are Carlton Evers, Jack Fox, Bill Hanna, Bob Mestjian, James Moyer, Edwin Roberts, Bruce Smith and Bob Williams. The program committee, which wrote the special litany for this service, has members of each department of the church school represented, namely Suzanne Lyon, Carol Peterson, Steve Brooks and Edward Gross. Although the service begins at the regular church school worship hour, 9:30 a. m. parents and friends are cordially invited to attend.

Educators to Meet at National College

The annual meeting of the Illinois State Association of Supervisors and Directors of Education will be held Friday, April 29, at the National College of Education. The morning session will be given over to the general subject of social studies, and the afternoon to the subject of reading.

The speakers for these sessions will be Dr. Louise Farwell Davis of Wilmette, a faculty member at the college, and Dr. William S. Gray of the University of Chicago.

In the evening a dinner program will be held at Shawnee Country club and the speakers at that time will be Miss Edna Dean Baker of the college and Dr. Paul Misner, superintendent of the Glencoe Public schools. Music supplied by two students, Rotha Turner, soprano, and Mildred Newcomb, pianist, will be a part of the evening program.

Refugee Problem Sermon at Temple

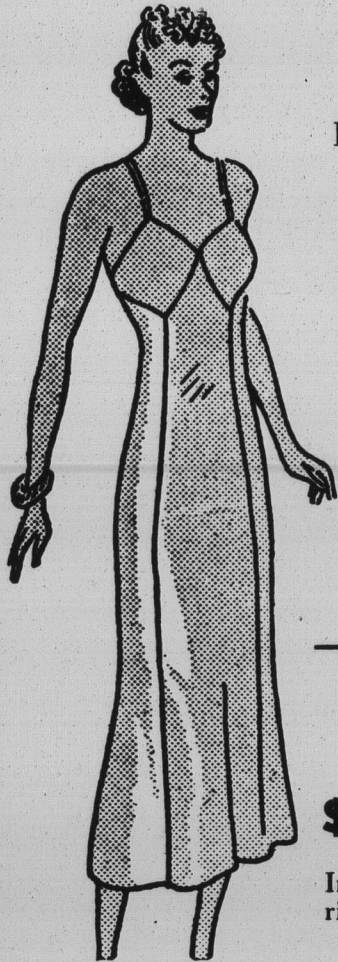

The refugee problem which grows ever more serious as dictatorships arise and spread, and Secretary of State Hull's recent proposal to the nations of the world to consider the matter of aiding these unfortunate people, will be discussed by Rabbi Charles E. Skulman in his sermon at the North Shore Congregation Israel Sunday morning, April 10. The subject of the sermon is announced as: "Political Refugees—a World Problem."

Services at the North Shore Congregation Israel are held every Sunday morning at 11 o'clock and visitors are always cordially welcome. The temple is located at the corner of Lincoln and Vernon avenues in Glencoe.
