

The above picture was taken on September 23, 1937, the beginning of our present bowling season. It includes, besides a large majority of the league bowlers, President Harry C. Kinne of Wilmette (center with bouquet), who opened the league by rolling the first ball. The fair members shown in the picture have been faithful in their attendance on bowling nights and ardently cheered for their respective favorites.

It has been a habit in the past for the league to take the members who wished to go to the National K. of C. tournament each year. This year is no exception. On Saturday morning, April 9, at 7:30 o'clock three bus-loads of K. of C. bowlers and their sponsors will leave for the National tournament which is being held this year at Cincinnati. The party will entrain from the Big Four station at Twelfth street, at 8:50 a. m. Ten teams entered in the five men event and a large number of the bowlers are also showing in the singles and doubles. They will return to Chicago about 11 p. m. Sunday, April 10.
