**Alan Ashcraft, Jr. and his associates are determined to cut
your taxes. IT CAN BE DONE!**

Before election in 1934, the five sitting Republican county commissioners from the country towns promised you, "a **drastice reduction in the cost of government of not less than 25% or resign.**" County Board appropriations have risen over \$4,400,000 since 1933. The county has appropriated over \$2,500,000 more for 1938 operating cost than was appropriated in 1937 (figures taken from the Civic Federation and Bureau of Public Efficiency).

Forgetting their pledges all five of the sitting County commissioners from the country towns voted with the Kelly-Nash Democrats for these increased expenditures.

"Let's Do Something About It!"

Church Offers \$100 for Arrest of Fake Campaign Solicitor

Reports of fraudulent solicitation of funds under his name have caused Congressman Ralph E. Church to offer a reward of \$100 for information leading to the apprehension and conviction of the person impersonating him in collecting so-called "political campaign funds."

Congressman Church stated that Thursday, March 31, someone telephoned a leading north side business man, and said in effect: "I am Congressman Church, just off the plane from Washington. The campaign committee needs more money. I would like to send a man right over for a check. I want to go back to Washington tonight." The impersonator then obtained a check, fraudulently endorsing and cashing it in Church's name. Not having been in Illinois since Jan. 1, because of congressional affairs, the congressman points out that he has always paid his own campaign expenses, has never solicited campaign contributions, and has returned every contribution which has been set him.

The reward offer has a twofold purpose, explained Church: (1) to protect any person from making political contributions to a man who as late as this week represented himself on the telephone to be Congressman Church; (2) to urge the cooperation of those approached in apprehending the guilty person with a view to prompt prosecution.

Congressman Church asks those who have contributed to the impersonator either to write him direct or to communicate with his law partner, Dean Lake Traxler, 10 South LaSalle street, Chicago.

Alicia Pratt Students to Give Dance Program

The students in Miss Alicia Pratt's dancing groups are preparing for their closing program to be given at 3 o'clock Saturday afternoon, April 16, at the Evanston Woman's club. The program is given only for friends of the children, admission being by card. A Kate Greenaway suite is one of the outstanding numbers, and another is a tap routine, "Highlights of Rhythm." The concert group is preparing a stunning number, "Rhapsody," and a Spanish primitive, "Litany." Another Spanish primitive, "Courant," is to be a dance by Miss Pratt's assistant, Regina Beck.

A son, Jack, was born to Mrs. W. J. Geier, 1742 Highland avenue, on March 8 at St. Anne's hospital, Chicago. Mr. and Mrs. Geier now have a family of six boys and one girl.
