

Bernice T. Van der Vries Stands for Renomination on Fine Record

Winnetka Candidate Is Given Widespread Support

Interest in next Tuesday' Republican primary election will center largely around the candidacy of Bernice T. Van der Vries of Winnetka, for renomination to the Illinois house of representatives.

Now completing her second term, Mrs. Van der Vries has displayed a quality of statesmanship that has been gratifying to her friends and of inestimable value to the people of the 7th senatorial district, which she represents, as well as the entire state.

Does Constructive Work

Even as a member of the minority party she saw opportunities for constructive work, noteworthy being legislation affecting the education system and the schools of the state. Her especial interest was devoted to those schools in the state which, because of lack of funds, have been forced to curtail curriculums or close entirely.

As a member of various committees Mrs. Van der Vries has worked diligently for tax reform, a state board of education, city manager, a driver's license, criminal code, permanent department of relief, reapportionment in accordance with the state constitution, improved civil service and parole laws,

and other measures looking toward better government.

Such service, say her sponsors, while outstanding, do not constitute the limit of her activities.

Opposes Nuisance Taxes

Opposing many nuisance tax laws, Mrs. Van der Vries has helped to keep down the cost of living for Illinois housewives. Instances are the butter substitute bill, which would have imposed a tax of 15 cents a pound on oleomargarine; the electric refrigerator bill which would have prevented owners from defrosting their own machines, and other measures vitally affecting the purse of the housewife.

Two Republicans are to be nominated

Arthur W. Sprague Assembly Nominee

Arthur W. Sprague, successful attorney in Chicago and police magistrate in his home town of LaGrange, where he was born, is a candidate for the General Assembly on the Republican ticket.

He graduated from the Lyons Township High school; received his prelegal training at Dartmouth; took two years of law at the University of Illinois, followed by one year at Northwestern; was admitted to the bar in 1925.

Mr. Sprague pledges himself to take an active interest in whatever affects the welfare of the district and on general issues he favors lower motor vehicle fees, adequate drivers' license legislation, constructive school measures, an extension of civil service, the non-political administration of parole laws, lower taxes through efficient expenditure of public funds and effective measures to eliminate private sale of municipal, county and state obligations.

Noble J. Puffer Seeks Votes for County School Post

Noble J. Puffer, who is seeking renomination as County Superintendent of Schools, on the Democratic primary ticket, has served for the past thirteen years in the Office of County Superintendent. He is the present Superintendent.

While serving the past two years as county superintendent of schools he has established two new innovations which have proven very progressive and of great value to the schools.

The first project is that of an audio - visual education service to the schools of the county, which provides a central distributing service for motion picture films and stereopticon slides.

The second project which has already proved its merits is the monthly traveling library service to the one-room schools of Cook county. A traveling library, housed in a trailer shell, calls once a month at the one-room schools in the county.
