Sunbeam League's Card Party Will Benefit Children

The twenty-sixth annual card party given under auspices of the Sunbeam League of Chicago takes place this year the afternoon of April 19, at the Stevens hotel. Tea will be served during the afternoon.

The main efforts of the members of the Sunbeam league are devoted to the raising of funds for the maintenance of their kindergartens. Never having participated in Tag days, two entertainments are given each year for this fund-raising purpose, the charity ball and the card party. Mrs. Harry J. Smedley is in charge of the latter event, assisted by Mrs. Francis W. Hackett. The magnitude of the work and the success members have had in being able to finance its activity, is indicated by the fact that last year the league took care of ten thousand children in its kindergartens.

North Shore members actively working in the interests of the party's success are: from Wilmette, Mrs. Philip H. Newman and Mrs. Joseph Zoellner; from Kenilworth, Mrs. Irwin L. Porter, Mrs. Albert C. Buehler, and Mrs. William Wieland; from Winnetka and Glencoe, Mrs. Clyde S. Blair, Mrs. Kenneth K. Duvall, Mrs. John J. Brossard, and Mrs. Duane L. Peterson.

Tickets for the benefit may be purchased from any member of the committee.

Just this week Mrs. Blair was hostess for a committee meeting and all of the committees furthering plans for the bridge tea will have a final meeting in the Wedgwood room of Marshall Field and company at 2 o'clock on April 12. The three hostesses on that occasion will be Mrs. Maurice W. K. Byrne, Mrs. David Rhodes, and Mrs. Walter Deveney, all of Chicago.

An outline of the work and history of the Sunbeam league follows:

The Sunbeam League of Chicago was organized in the spring of 1912, its object to bring sunshine into the lives of children, especially crippled children and spastic cases in Chicago hospitals or wherever needed.

The league at present supports seven kindergartens, two at the Cook County hospital, ward 36 and ward 46; one at the Home for Convalescent Women and Children; one at the Children's Memorial hospital; one at Martha Washington home; one at the Home for Destitute Crippled Children, and one at Spalding school. It has been the policy of the league to help individual cases which were found worthy by a special committee. While there are all types of ill and handicapped children in the various units of Sunbeam league, there has been a definite segregation in the case of the last organized, the Nursery school at Spalding. In this unit all the children are spastic cases ranging in age from 2 to 5 years. The Sunbeam league is the only organization in Chicago making a definite and concerted effort to aid groups of these children during this very young
