Wins Flower Show Prize for "Weeders"

Photo by Jun Fujita

A blue ribbon goes to the Winnetka Weeders for their flower garden, the main garden of the Illinois Farm house unit at the Twelfth Annual Flower show staged on the Navy Pier and open daily through this coming Sunday. The garden suggests the Victorian era, in keeping with the entire ensemble.

Plants of that day, still favorites, are set out in colorful picture. A patterned planting is in the center of a surrounding circular brick path, grass studded. Sweet alyssum and yellow pansies edge the flower picture, ageratum forms the next color note which is climaxed by pink geraniums. Rambler roses climb over a picket fence and over iron standards with connecting chains placed uniquely at the garden's entrance and forming a frame for the garden seat. The garden's border is a graceful planting of yellow pansies, white begonias, with a background of bleeding hearts, delphinium, and Easter lilies.

The "parlor" of the farmhouse looks out into this garden, and through its windows are seen quaint John Rogers groups; an oil lamp, and a stereopticon on the "parlor table." This feature is done by the Berwyn Garden club.

For the entire Farm house unit, representative of the Central States region, the judges gave the only silver medal award of the Garden Club of Illinois for one of the regional units. They gave this award in commendation of the splendid cooperation shown by the various exhibiting clubs in creating the harmonious whole.

Billiard Match Commences Busy Month at Shawnee

Commencing with a billiard exhibition Thursday night of this week, Shawnee Country club is looking forward to a month filled with activities of many kinds. The club will serve its usual buffet supper Thursday night, and then at 8 o'clock David McCandless, former amateur champion, will play a brilliant exhibition match for the benefit of the guests.

Johnny Ketter and his orchestra will play for this party and also for the High school and College hop to be held on the following evening, Wednesday, April 13.

The second in a series of Twilight musicales sponsored by the club is announced for Sunday afternoon, April 17. All the plans for the program have not been completed, but during the afternoon Agnes Frank will present a group of her pupils in a tap and toe dancing exhibition.

After the program a buffet supper will be served, and in the evening there will be dancing to music supplied by Henry Lishon's orchestra.
