**Alumni of Ohio
Colleges to Hold
Luncheon April 9**

Calvin F. Selfridge, 1133 Pine street, Winnetka, is a member of the committee organizing the second annual luncheon of Ohio college alumni to be held April 9 at the Bal Tabarin of the Hotel Sherman.

About 2,500 former students of the thirty odd Ohio colleges and universities now live in the Chicago area, according to Mr. Selfridge. It is expected that 500 will attend the Ohio luncheon.

Last year Rufus Dawes, a graduate of Marietta college and former head of A Century of Progress, was one of the speakers who addressed the large gathering. So successful was the affair that it was voted to make it a yearly event.

The luncheon this year comes at the close of the sessions of the North Central Association of Colleges and Secondary Schools. Many college presidents and deans will be present and several will speak.
