Bring Your Instruments

Three on a String is a performing group that concentrates its efforts on what is termed "Authentic American Folk Music" which consists of a blend of reels, sawyers' songs, horn pipes, fiddle tunes, waltzes, and some surprises thrown in now and then for good measure. All performed by Carol Witherbee, 1985 Great Lakes Hammered Dulcimer Champion, the very talented Diane Madsen on bass who plays a fine and easy style, and the 1986 Great Lakes Autoharp Champion, Carole Spicer.

We at Thornapple Valley Dulcimer Society feel that this concert will be an enjoyable night for one and all.
