INTRODUCTORY.

With the present issue the Alpena City and County Directory enters upon its nineteenth year of publication. The work is presented with the entire confidence of the publishers that it will gain as large a share of approbation as was so generously accorded its predecessors. The work contains 332 pages. The first 46 pages are devoted to useful miscellaneous information relating to the city and county in general. This department embraces a street and avenue guide, ward boundaries, city and county government, list of churches, banks, justices of the peace in county, cemeteries, convents and private schools, miscellaneous societies, newspapers, public schools, public halls and buildings, secret and benevolent societies, steamboat lines, United States offices, post-office statistics, terms of court, the military, etc. Pages 47 to 235 contain an alphabetically arranged directory of all the inhabitants of the city followed by 47 pages containing the names of all persons engaged in business or the professions classified under their respective callings. The remaining pages contain name, number of section, number of acres, assessed valuation, name of township and postoffice address of all farmers in Alpena County. The publishers take pleasure in acknowledging obligations to patrons and to those who kindly assisted in collecting the data required in preparing the directory.

MISCELLANEOUS DEPARTMENT.

STREETS AND AVENUES.

EXPLANATION.

Chisholm and Dock streets is the dividing line for all streets crossing them, or running North and South, and Second street for all streets running East and West.
