STREET AND AVENUE GUIDE.

EXPLANATION.

Chisholm street is the dividing line for all streets running North and South, and Second avenue for all streets running East and West. The system adopted is the same as used in Philadelphia and other large cities, known as the "decimal" system—one hundred numbers being allowed for each block. In cases where vacant lots, etc., occur, the usual numbers have been allotted them. On referring to the following guide, it will be noticed that the names of all streets and avenues follow each other in strictly alphabetical order without regard to location:

Adams, from Long Lake av east to Huron, between Bolton and Monroe.

Addison, from Ontario east to city limits, 1 west of Franklin.

Albert, from Taylor north, between Beebe and Huron.

Alfred East, from N 2d avenue east to Mill, 1 north of Beebe.

Alfred West, from N 2d avenue west to Huron, 1 north of Beebe.

Ash, from Oliver west to Garden, 2 south of 3d.

Bagley, from Washington av south to 3d, w west of Garden.

Baldwin East, from 2d east to State, 1 south of Campbell.

Baldwin West, from 2d west, 1 south of Campbell.

Barry, from city limits and Thunder Bay shore northwest to 1st, between Mason and Parson.

Bay av, from E Bingham along Thunder Bay shore, south two blocks.

Beebe East, from N 2d av east to Mill, 1 north of Norwegian.

LISTS OF NAMES**

ANY	BUSINESS LOCALITY	UP-TO-DATE ACCURATE
------------	------------------------------	--------------------------------

We publish over 200 city, county, state and national trade directories, therefore have
unexcelled facilities for furnishing lists of any trades and professions that are not cov-
ered by our national Trade Directories.

As Directory Publishers, we have available for use in compiling our lists the man-
script matter that we intend utilizing in directories being compiled, and can therefore
give our patrons the benefit of up-to-date information before it appears in type and circu-
late, usually before it is in the hands of firms whose business is solely furnishing lists of
names.

We address and mail envelopes, wrappers, etc.
Prices and prospectus of any of our directories and lists sent on application.
