Women's Bowling League Taking Lessons

The Women's Bowling League members have been taking "Five Easy Lessons" to promote better bowling. In these lessons they have learned the correct ways, from selecting a bowling ball to the correct way of picking off the spares as

well as getting the strikes. Kathy Kelso has the privilege of representing the League as secretary.

Sports Outlook

On October 28th, Alpena's cross country team, along with the other junior colleges, will travel to Muskegon, Michigan to participate in the Michigan Junior College Conference cross country championship. Flint is the team to beat because they have a number of powerful runners which are practically the best in the state of Michigan, and junior college competition. Gerald Marenkewicz and company will have to be at their best if they want to come home the state champions. With an all out team effort by our Lumberjacks — they just might do it.

McNeill

It is interesting to note that when Flint Junior College defeated Alpena earlier this year, in a dual cross country meet, they established a national junior college record. Flint's victory over Alpena was their twenty-ninth consecutive win, which is a new record in the United States for junior colleges. Hillsdale College and Central Michigan University are two of some four institutions that fell to the strong Bruin team. Although Flint is our biggest rival in the conference, they should be given due credit for a remarkable accomplishment. —Dave McNeill

These women come in the afternoon and clean the classrooms and women's lavatories. Both have been here since the school opened. They have done a commendable job in keeping the school looking neat and clean. Van said to thank the students for ALL the roses and the faculty for the Cyclamen plant. Karleen

Flag Football Added to Intramural Program

Something new has been added to Alpena Community College's intramural program this fall with the addition of flag football. Four teams have been formed with seven men on a team. Each team has four linemen and three men in the backfield. With four downs to make a touchdown, most teams use the forward pass as their main weapon. Games are played at the Bay View Park on Sunday afternoons and students are invited as spectators. — Jay Robarge

CHEERLEADERS CHOSEN

When basketball season starts, it also starts a new season for

cheerleading. This year there was much interest among the females of A. C. C. Out of the many that tried out, three freshmen — Karen Apsey, Pam Cody and Betty Sands and one sophomore — Sharron Gibson who is leading the squad as captain, pulled through.

The girls hope to receive full support of the student body in the coming basketball season. GOOD LUCK, GIRLS !!! J. C.
