

## Over Half Of The Sophomore Class Voted

### Smoking At ACC Creates Problem

It has been observed by many of the students studying at the school on Tuesday evenings, that the Banking Class which meets on this night has been smoking in the student lounge.

Van, the Custodian at A.C.C., has been approached on this subject. When asked if it was authorized for these people to smoke in the lounge he is quoted as saying, "No one has told me these people can smoke in the lounge, and therefore it is wholly unauthorized."

As most of us know the lounge is not properly ventilated for such smoking, also there are no ashtrays, and therefore should not be allowed. But when the students see these people smoking in the lounge they figure they have the right to smoke there also, so they "light up".

Mr. Ritter has been observed walking around the lounge talking to these people on their break and so far has not apparently mentioned it to them that smoking is not allowed in the lounge.

Now it is the opinion of most of the student body that if this smoking is to be continued by the Tuesday night Banking Class something should be done to get the Fire Marshall to approve the lounge for smoking.

### ACC Collegiate Singers Plan Musicales

The Collegiate Singers will soon enter the busy holiday season with at least two programs planned. Shortly before Thanksgiving vacation begins, the group will perform before the student body in Central Hall. During the yule season, the singers are to present a program at the Christmas Convocation to be held at Masonic Temple.

Recently four members of the Collegiate Singers traveled to Grand Rapids to take part in a special musical program at the MEA Convention. Sally Hartman, Mark Nordrum, Harriet Klann, and Bill Maywood sang in the All-State Junior College Choir.

Directed by Mr. Doyaras, the group meets every Tuesday and Thursday.

Gene Dooley

Sophomore Class Officers, left to right, Blaine Pool, Brian Mitchell, Frank Schultz and Sylvia Curley.

### Speech Class To Present Queen And The Rebels

The play The Queen and the Rebels will be presented in December, at the Alpena Civic Theatre.

The students who have been assigned roles in the play are Marge Jaskey as Argia, the star, a strong, rather brassy, but a good person; Prudence Arthur, as Elisabetta the real queen who is between 40 and 50 years old and who plays a good, but not too long, character part. Mike Stosik as Amos, a young dedicated romantic type; a sort of Richard Burton with a Castro beard. Another way of thinking of Amos is the Ian Fleming type of hero or the man from U.N.C.L.E. Lennie Brinson, as Biante, a nagging Castro; a rather gruff general type. Biante has a rather small part, as he gets killed off quickly but it is a well-developed character part. Ron Rowland as Riam, the young lover, who is out for a fast buck. This is a good role, but Riam is not a real likable guy. He gets killed too, near the end. Lyle Cline takes the part of the Porter, a rather small character part. Ken Sherey as Maupa, a glassy-eyed, excitable revolutionary type, and full of hate. Ken Smith takes the part of an Engineer, the typical business tycoon on his way up. Jerry Rowland a peasant, a small part that can develop any way the actor wishes. Jill Barlow a peasant woman also an understudy for Argia. John Suliot is the student director and Donald Heady the faculty director.

John Kell

### Phi Theta Kappa

Phi Theta Kappa, the two year old honorary fraternal society at Alpena Community College, is a society in which young men and young women can be members if they have an average of 2.5 and their record in the College is above reproach.

The society had its first meeting this year at the Grove and elected new officers; Sally Hartman, President; Erdine Klein, Vice President; Sue Hausding, Secretary; and Mary Lou Chroninger, Treasurer.

The sponsors are Mr. Oosting, Mrs. Hartwick, Mrs. Glennie, and ten alumni.

Membership also will be open during the second semester.

- John Kell.

### Debate Team Has First Tryout

The debate team at A.C.C. under the direction of Mr. Heady has had tryouts among themselves and they believe they have enough facts on the subject to compete with various colleges throughout the state.

Some debaters believe they are not adequately prepared but their instructor disagrees and will keep them slugging away for more facts and ways in which to present them.

This final meet will be with Flint on the fifth of December. As previously stated the subject for this year is: Resolved that the Federal Government should establish a national program of public work for the unemployed.

By Doug Heath

### Frank Schultz Is Sophomore President

Out of the 129 students of the Sophomore class, 72 voted and expressed their opinions of who they wanted for class officers on October 28 and 29.

Frank Schultz was elected the President of the Sophomore Class. He is going to organize a meeting of the Sophomore Class Officers around the 10th of November. At that time they will decide what platform they are going to work

for. He said, that he is not going to make the office a figure-head but would try to do something for the class with emphasis on social life. Frank is a graduate from Alpena Catholic Central in 1961.

Brian Mitchell, a graduate from Alpena High in 1963, won the office of Vice-President. He was very happy to be elected to the office and will try to do his best for the class. He wishes to say thanks to everyone who voted for him.

### Circle K Expects Outstanding Year

As tradition at A.C.C. has it, Wednesday nights are the most interesting nights of the week. This is resulting from the fact that the most active club on Campus, the Circle K Club, meets at 9:15 every Wednesday night. President Clair Haupt quickly disposed of old and new business and turned the meeting over to Bob Gunderson and Joe Rick for their Secretary and Treasurers reports respectively. Vice-President, Bill Paige provided as usual some pretty good entertainment and will provide in the future for some very informative and interesting speakers.

A controlling body like this could only be matched with the added honor of having one of its members, John Gunderson, elected to the rank of Lt. Governor for this Michigan District.

The old saying that "two heads are better than one" is projected even further by Circle K at the board meetings. Along with the four officers, four representatives were elected to keep officers on the "straight" and narrow." The representatives are, Sophomores; Blaine (Jers) Pool and Tim Delongchamp; and Freshmen; Robin Spencer and Dave (Chicago) Paffi.

Project chairman, Herb Knowlton informed the club that a real bang-up year is to be expected.

On the club agenda so far, the club intends to clean up the water front behind A.C.C., provide a Student Directory, and expects to establish another A.C.C. first, with a special homecoming.

Anyone interested in joining the Circle K Club should get an application and reference sheet from any of the officers on any Wednesday night before December 1st. - Delongchamp

The Secretary of the Sophomore Class is Sylvia Curley. She graduated from Oscoda High School in 1963. She said, "I was very happy and proud to be the Secretary of my class and plan to work for the future improvement of the Sophomore Class." She also said, "Thanks to everyone who voted for me."

Blaine Pool, better known as Jersey, won the office of Treasurer. Jersey is from River Edge, New Jersey. He graduated from River Dell Senior High, Ordell, New Jersey in 1963. Jersey said, "I felt it was a real honor to be elected by the Sophomore Class." He also said, "I will try to do my best to uphold their faith in me."

Ernie Roy

### SEA

A minor traffic accident involving guest speaker W. R. Owen, Student Programs Consultant of MEA, caused the cancellation of the Student Education Association's program planned for the November 4 meeting. In place of the program the twenty members in attendance heard a brief summary of the code of ethics of the teaching profession presented by Mr. Oosting, Club Moderator.

The group also set up a tentative schedule of activities for the next month. According to Sally Hartman, local SEA president, December 2 will be the date of a special program to be presented to the Future Teachers Clubs of the two Alpena high schools. Now planned for December 16 is a luncheon for SEA members.

The next meeting is scheduled for November 18 at 12:00 noon in room 101. At that time Mr. Gene Geisert, Assistant Superintendent of Schools, will be the guest speaker. Stated Miss Hartman, "Everyone is welcome to attend the meeting." Gene Dooley
