

Lumberjacks Open '64-'65 Season At Home

Cherry Pickers, left to right, front row: Bill Homant, Gary Zander and Mike Pierce. Back row: Tom Le Roux, Frank Schultz, Brian Mitchell, Dick De Loge and Neil Steinorth.

Cherry Pickers Are Champions

The big game of the year took place October 29 at the Hospital field when the Cherry Pickers met the Colts. The Colts, hit hard by the loss of two key players, Mike DeWyre and Gary Somers, were no match for the fired-up Cherry Pickers. The Cherry Pickers drew first blood on a pass to end Brian Mitchell who played an outstanding game on offense. This first touchdown seemed to give a sign of what was to happen as the Cherry Pickers went on to win 16 to 0. This win entitled the Cherry Pickers to claim the title of I.M. Football Champions with a 5-0 record.

The Cherry Pickers displayed a good, strong defense all year combined with just the right amount of an offense and this is the

reason for their first place finish.

The Colts played good ball all year, but even the recruiting of Ken Smith and Jon Boucher could not balance their squad. Other members of the team who made a fine showing throughout the year were John Jess, Don Fitch, Mike DeWyre, Gary Somers and Jim Bolen.

Final Standings

Cherry Pickers	5-0
Colts	4-1
Duds	-3
Aces	3-2
Has Beens	1-4
Wayco Brothers	0-5

Cross Country Season Ends

A.C.C. in their meet against Flint on October 15, wound up second best with a score of 45, with Flint bringing in the winning margin of 15.

In their meet with Traverse City on October 22, they also came in second with a one point deficit of 29-30.

They finished the season on a good showing at the State meet, however, in placing 9th. The teams competing in the State Meet are as follows, in the order of finishing places: Muskegon- Flint- Concordia- Port Huron- Grand Rapids- Henry Ford- Jackson- Battle Creek- Alpena and Delta.

Coach Dutcher To Rebuild Team; Mitchell Only Returning Letterman

Coach Jim Dutcher has a big rebuilding job this year as he has only one returning letterman from last year's squad. The man who holds this position of high esteem is center, Brian Mitchell, who knows how it feels when it comes to high places. Mitchell stands six feet seven inches in his basketball uniform.

Although this year's team lacks game experience, a lot of talent will surround Mitchell on the floor. The roster has many new names. The center is Brian Mitchell of Alpena. Forwards are Ed Butler, Oscoda; Terry Olsen, Alpena; Roy McNeely, Detroit; Gary Smith, Melvindale, and Jack

Wilson of Wayne, Mich. Among the guards are John Barlog of Hillman; Mike DeWyre, Rogers City; Tim Doughty, Melvindale; Jim McCormack, Wayne, and Gary Somers of Alcona, Michigan.

Two boys working out but unable to play the first semester are Tom Richardson, a center from Detroit, and Don Fitch, guard from Onaway, Michigan.

After the first game of the year, Nov. 21st, the Thanksgiving tournament will be played here the 27th and 28th of November. The first night, the Kincheloe A.F.B. team will challenge Delta College in the first game and in the second game Alpena Community College plays Davenport of Grand Rapids. The second night the two winners will meet in the first game and in the second game the two losers will battle it out.

The week after the tournament games, the Lumberjacks will host Flint on Dec. 5.

The Lumberjacks may be a team with little experience but there is a lot of talent on the squad and with the right kind of breaks the boys could go a long ways in the conference.

ACC Cheerleaders Selected By Student Council And Faculty

Tryouts for cheerleaders were held this year on Wednesday, October 21, 1964 under the experienced scrutiny of Mr. Dutcher, Mrs. Holcum, Janice Froberg, Sue Barrett, and Student Council President John Klinke.

Out of the six frisky female contestants, only four were chosen to represent A.C.C. at the athletic functions.

They are: Carla Clark, Melinda Charboneau, Donna Lutes, and Michelene Spens.

These bouncing beauties were tested on a number of necessary skills. Among them were pep, personality, appearance, and voice quality. Tim DeLongchamp

Ski Club News

Students should consult the bulletin boards in the College lobby for date when the Ski Club will hold its first meeting. According to Mr. Oldness the club will be organized by the first of December or in plenty of time for the first ski-able snow. - John Vogelheim,
