## I.M. Sports Start October 4

A message of special importance to many of the male students of A.C.C. will appear on the college bulletin board early in the month of October.

According to Mr. Dutcher, the college athletic director and coach, the 1965-66 Intramural sports season will be underway at this time. The sports included in this year's roster are football, basketball, and softball. The way to get into this action is to watch for bulletins from Mr. Dutcher's office and after reading them do as they say. So come on men! Get your sneakers out and prepare to enjoy yourself a little. After all, books aren't the only food for the brain. Bill Homant

### End of Era

SAN FRANCISCO (UPI) — The era of the "dime a dance" girl has come to an end in this city.

The police department ruled Tuesday that the practice of girls charging 10 cents for a dance was in violation of hall permit regulations.

## Coach Dutcher Predicts An Excellent Year for Sports At Alpena College

The opening of the new school year marks the beginning of what looks to be a prosperous year for the Lumberjacks in the Michigan Junior College Conference. In Cross Country, Coach Dutcher is expecting a good showing by three returning lettermen, Roy McNeely, Jim McCormick, and Terry Stoppa. In looking over the freshmen prospects, Coach Dut-

cher anticipates to add strength and depth to his team with the addition of Alger Freel and Vern Rensberry, both graduates of Alpena High. In the M.J.C.C. last year Alpena finished fourth in conference competition. Looking forward to this year, Muskegon, who is the defending National Champion, look strong as did Flint J C who finished a strong second in conference action last season.

Looking a few months in advance to the 1965-66 Basketball season, Coach Dutcher seems highly optimistic of the team's chances of capturing the M.J.C.C. crown. Coach Dutcher has many Sophomore lettermen returning with the needed experience and seasoning for a championship team. Returning this year are seven lettermen from last year's team, they are: at the guards, Mike De Wyre 5' 11", Gary Sommers 5' 9", Tim Doughty 6', at the forwards, Gary Smith 6' 2", Jim McCormick 6' 4", and Roy McNeely 6' 5", and at center position, Tom Richardson 6' 7". Vying for starting positions are the freshmen candidates, Jim McCallum 6' 1" from Alpena High, Mike Shupert 6' 2", Jerry Marciniak 5' 10", and Ed Hier 5' 10" all from Alpena Catholic Central, Dennis Blair 6' 5" of River Rouge Lourdes, Bill McDowell 6' 9" from Blissfield, Ellis Hayes 6' 5" from Detroit and Sam Chalton 5' 9" from Melvendale. Leading the Lumberjacks this season are Co-captains Roy McNeely and Jim McCormick.

## Physical Exams Given To Athletes

The start of another academic semester marks the beginning of another athletic year at Alpena Community College. Physicals for cross-country and basketball were held September 14th, at the Alpena High School gymnasium. Cross-country practice began September 15th, at the Alpena golf course. Basketball practice will begin October 18, in the Alpena High School gymnasium.

Anyone interested in participating in either cross-country or basketball should contact Coach Dutcher.

—Tim Doughty

PURE WOOL—AUTOMATIC WASH & DRY!

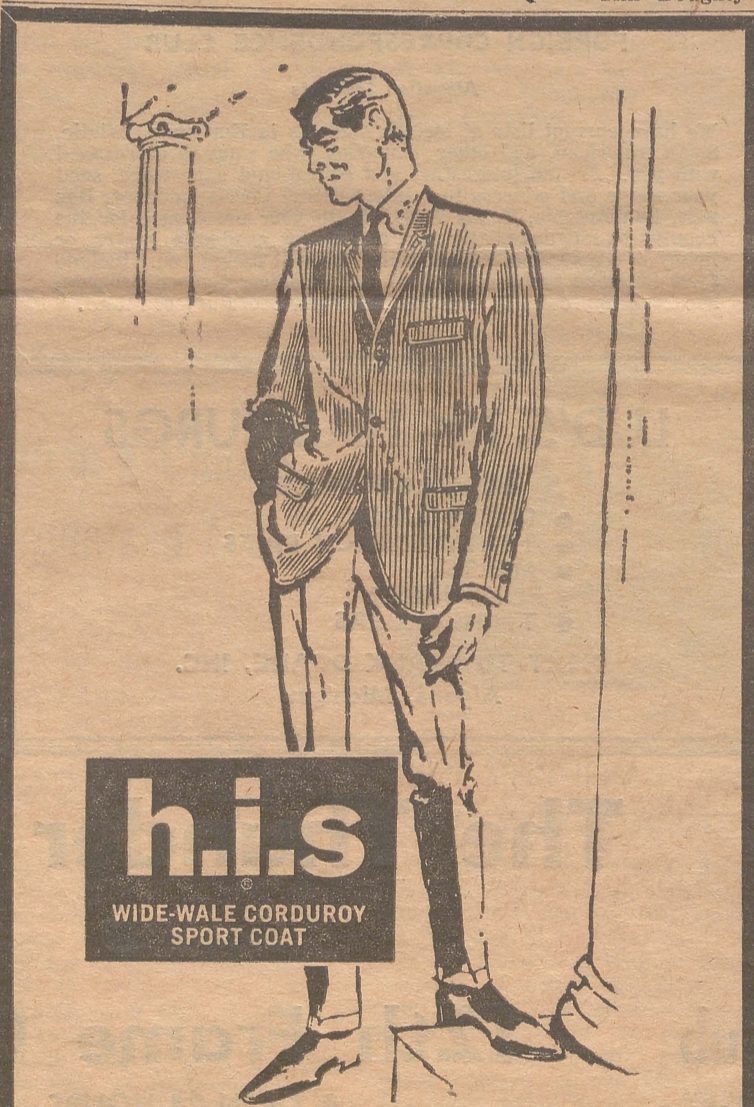

**PEERDALE**  
AQUAKnit<sup>®</sup> BY  
PURITAN<sup>®</sup>

## Thieves At A.C.C.

Amid the excitement of larger enrollment and new challenges to faculty, as well as students, the campus of ACC is facing a very serious problem. Petty thievery has increased to unwarranted proportions.

Stolen items have ranged from books and school supplies to items of clothing. The majority of missing items have been reported to be books.

The persons causing this problem will find themselves in serious trouble when their identity becomes known.

It has been reported that certain persons on this campus are aware of the identity of these thieves but have not reported this to the proper authorities. These people should remember that they are just as guilty as those who are doing the actual stealing if they know of this and say nothing.

Only if everyone on the campus of ACC does their part are we going to be able to put an end to this petty thievery.

—Jack Adair

## Parking Anyone?

With the beginning of the 1965-66 year at Alpena Community College, we are faced with many problems. The boom in enrollment and the number of students driving has increased tremendously.

Our big problem is to find adequate parking for these motorists.

The rigid rule of NO PARKING in the oval has forced many motorists to park in the so-called student parking lot. This would not be a bad place to park providing it is maintained better by the college itself.

The student is just as much a part of the college as the faculty, and deserves equal facilities. — Gary Smith
