

## Gala Snowball Was Hit Of Christmas-Time Festivities

On December 20, 1965, the Sophomore class sponsored the largest social event to the year — the Snowball Christmas Dance. The semi-formal affair was held at the Grove from 9 until 12 o'clock, with dancing music provided by the New Esquires.

The gala affair was climaxed by the crowning of the Snowball Queen Judy Snell. Queen Judy was chosen from a field of 15 charming coeds. A buffet dinner followed the coronation.

The other candidates who ran were as follows: Judy Allen, Gail Ayling, Kathy Beemer, Mary Kay Chandler, Ann Gilliland, Trudy Hamilton, Barb Hays, Linda LeMieux, Julie Losinski, Linda Molter, Mary Spens and Jannel Thomas.

The Freshman class who sponsored Judy were awarded a prize of \$10.00. The queen and her escort were presented with gifts in token of their reign.

The staff of the Timber-Cruiser wishes to congratulate the sophomore class on the success of the Snowball.

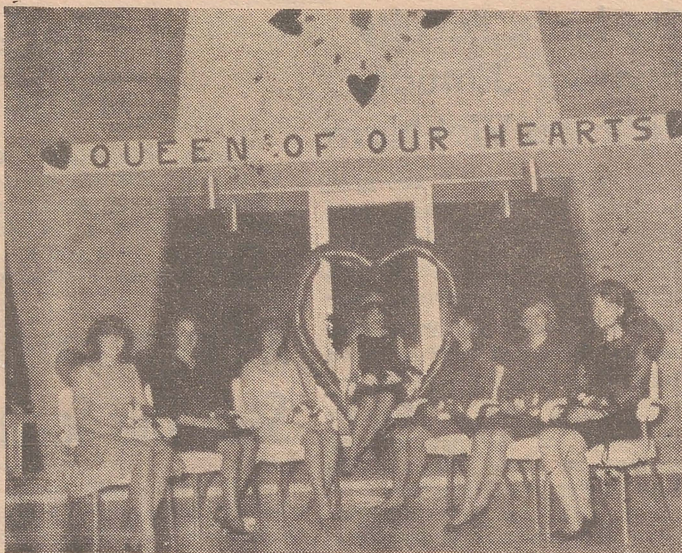

## Evaluation Forms In Conference 8

Alpena Community College is having problems, which come normally to any school as it increases in size. Our student body is becoming larger than the school was designed to handle. So, the Student Services Office has prepared a Student Rating Form and wishes each student to fill one out.

Other colleges and prospective employers call A. C. C. and ask but because the instructors no longer get to each one personally these questions can't always be answered. All Sophomores are invited to pick up the forms and give them to the instructor they wish to have evaluate them. After doing so the as part of your permanent re-instructor will file the form as part of your permanent record.

Homecoming Queen & Court

## Donna Is Elected

Donna Lutes, a sophomore from Alpena was elected to reign as the Homecoming Queen over the annual festivities held this past February 12. Her court consisted of Linda LeMieux, a Freshman from Alpena; Gail Ayling, a Sophomore from Harrisville; Cindy McNeil, a Freshman from Harrisville; Betty Wolf, a Sophomore from Alpena; Ann Dault, a Freshman from Alpena and Jannel Thomas, a Freshman from Beloit, Wisconsin.

The candidates and their es-

corst were present at the Alpena - Muskegon game to see Alpena trounce the Jayhawks 113-92.

After the game a semi-formal dance was held at the Besser Technical Center and the election results were announced. The dance was entitled "Queen of Our Hearts," a Valentines Day theme.

A newly organized band, The New Esquires, entertained the students from 10 until 1. Punch and cake were served as refreshments at the dance.

Miss Lutes represented Alpena Community College in competition for the title of "Queen of Northern Michigan University Carnival" at Northern in Marquette, Michigan. However Donna was unsuccessful in her bid for the title.

## College Course Include A Trip Through Europe!

The Andrew Kan Travel Service of Petoskey has announced a North Central Airlines flight to Europe tailored to meet the standards college students.

This program includes a trip to and through Europe as a cultural course accredited to accumulate honor points of the participants. The tour is priced at \$767.00 and includes two credits of European culture.

Countries included in the tour, originating in New York, are Holland, Germany, Switzerland, Liechtenstein, Austria, Italy, Monaco, Ireland, England and France. The above price includes all meals and tours.

This trip is in cooperation with North Central Michigan College. All college students interested are welcome to participate and are urged to contact the Andrew Kan Travel Service, Petoskey, Mich.

## ACC's What Fours Compete At Olivet

Another first for A.C.C.! The music department headed by Mr. Torkelson, has developed a folk-singing group. They call themselves the "What Fours" and consist of four promising students; Tom Hurley, Jannel Thomas, Tom Wachterhauser, and Pat Zurn.

The What Fours have been entertaining in the Alpena area for the last couple of months but now they have a chance to entertain at another school. The What Fours are entered in the Annual Michigan Intercollegiate Folk Contest at Olivet College.

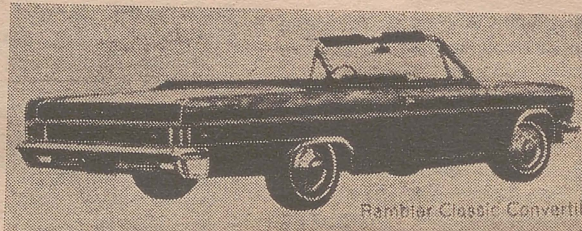

The contest at Olivet will be held on Friday, May 13, with a prize of \$100 for first prize to shoot for. There will be extended press coverage to give recognition to the groups and their schools.

Our good luck goes with the What Fours as they travel to Olivet.
