

# Jacks Romp Northwestern In Cage Opener

## Lumberjacks Cage Squad Ready

As the 1966-67 cage season looms ahead, the Jacks are anticipating an exciting and rewarding campaign.

Coach McPhillips has the team in excellent physical condition as they are eager to be tested on the floor.

There are many new men wearing the maroon and grey uniforms this year, and they are beginning to look good in them. The ranks of these new players are made up of former high school stars from all over Michigan and Ohio. Whether or not the stars will remain after the name is yet to be seen as the cage wars are renewed.

In spite of the surplus of young talent that is at Coach McPhillip's disposal, he has an enormous task of molding these individuals into a smooth running machine.

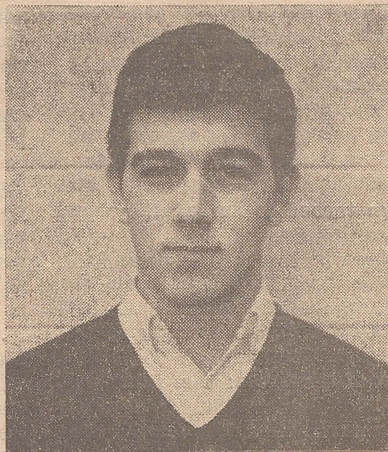

This year's squad lacks the height that is necessary for championship material, and unless they can use their speed and

coordination to make up the difference, they will be in trouble. Eleven of the team members are new to the Lumberjack roster.

They include:

Ken Parrish - Cheboygan  
Calvin Hicks - Willow Run  
Bob Jefferson - Ecorse  
Tim Lutes - Alpena  
Dave Sparks - Ohio  
Mike Shupert - Alpena  
Marv Rogers - Melvindale  
Pat McDaniel - Melvindale  
Steve Malkeiwicz - Melvindale  
Bob Meske - Alpena  
Rick Hamilton - Hillman

Dennis Blair of River Rouge Lourds and Sam Charlton of Wil-

Mike Cadarette wins ACC Golf Tournament.

lard, Ohio constitute the returning lettermen.

This striking lack of returning players will have a most important role in the squad's success this season, but hopefully the fine talent of the incoming freshmen will keep the Jacks on top.

The A.C.C. Lumberjacks opened the 66-67 basketball season Friday the 18th at the Alpena High gym. The home team was victorious with an impressive 110-96 score over Northwestern J.C.

Calvin Hicks, a freshman guard from Willow Run, collected the scoring honors and Tim Lutes, a freshman guard from Alpena, followed close behind. Dennis Blair of River Rouge Lourds and Ken Parish of Cheboygan also hit in the double figures.

Coach McPhillips grabbed the opportunity to play the whole team as the reserves most of the second half.

This first game of the season was encouraging to Alpena cage fans who remember the great 65-66 season. They are looking forward to more basketball headlines of a like nature this year,

and it looks as though they won't be disappointed.

The Jacks face a bigger test Friday the 25th as they journey to Bay City to take on Delta College in a league game. Maybe more of an indication of things to come will be seen from the outcome of this contest.

## Cheerleaders For The 1966-67 Sports Season

Alpena Community College cheerleaders from left to right are: Sue Doyle, Evalee Bellingham, Mary Kay Chandler, Donna Froberg and Julie Losinski.

The 1966-67 ACC cheerleaders were chosen October 11 at the Besser Jr. High gymnasium.

Two sophomores and three freshmen make up the squad. They are sophomore - veterans Mary Kay Chandler and Julie Losinski; freshmen Evalee Bellingham, Donna Froberg, and alternate Sue Doyle.

Based on a five point system, the seven girls were judged according to eye contact, coordination, ability to work with group, pep, poise, appearance, and voice. Each of the girls trying out was required to do a group cheer, cartwheel, and the splits. The judges were Coach McPhillips, Harriet Kelm, Harriet Worniak, Marty Hughes, Gary Davis, Barb Hayes, Dennis Blair, and Dave Simmons.

The cheerleaders will be wearing new uniforms this season. Similar to the old ones, they are burgundy V-neck sweaters with white around the V as a tennis sweater, and burgundy skirts with white inlays. Also included is a white dickey and an embroidered letter A on the sweaters.

This year's cheerleading sponsor is Harriet Worniak.

## Attention Collegiate Skiers

## All Day Decemder 8 Alpena Sporting Goods

INVITES YOU TO A SKIERS' DAY

Whether Your A Snow-Bunny or An Aged Experienced Skier We're Here To Serve You. We Feature Known Names In Skiing: Head; Northland Skis, Henke Boots, Millico Poles, and Cubco, Northland Nevada, Bindings.

## Students Gone Thunderbowl

Approximately 260 ACC students are participating in college league bowling at the Thunderbowl lanes.

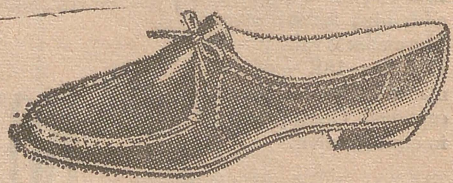

The bowling classes held on Monday and Tuesday of each week are a part of the physical education program of ACC. Jack Snyder handles instruction and Pauline Harter takes care of recording and finances.

Each student is placed on a team according to his ability to bowl, and these teams in turn play against one another. The cost is 75 cents a week per student.
