Karen Edwards Presides At A.C.C. Homecoming

Spring Formal To Be April 22

Plans are already under-way for the traditional "Spring Formal" which will be held on April 22 from 9:00 p.m. to 1:00 a.m. in the Civic Center Auditorium.

The sponsor of the event is the 1966-67 Freshman Class with the additional aid by members of the Student Government.

Committee Chairmen are as follows: General chairman, Steve Voss; Decorations and Theme, Donna Froberg and Sue Doyle; Publicity, Mike Roznowski; and Tickets, Refreshments and Chaperones, Pat Beaudry.

Further details will be released at a later date.
- Sue Doyle.

O.W.S. Becomes Active at A.C.C.

Efforts are now being made to revive the O.W.S. at ACC.

The Organization of Women Students is a service organization which will be open to all female students at Alpena Community College. The main purpose of this club is to encourage interest and participation by women students in activities offered by the school and those which will be initiated by the club.

Any interested persons are advised to contact Mrs. Thelma Hartwick or Dorothy Seeley. Further information concerning club initiation will be posted.

National Geographics Wanted

Jule Hartwick is in the market to purchase the following issues of National Geographic. If you have any of these issues and desire to sell them contact Mr. Hartwick at the A.C.C. Library.

1930: March, June, 1934: March, July, 1935: February, December, 1936: June, 1939: March, 1940: December, 1941: February, May, June, July, August, September, December, 1943: June, August, November, December, 1950: May, June, November, 1951: March, April, May, June, July, August, September, October, November, December, 1953: January, February, March, April, May, July, August, October, November, December, 1954: January, February, March, April, May, July, September, October, November, December, 1955: March, September, 1956: September, 1957: July, 1960: January, February, March, April, June, July, September, December, 1961: June, August, December, 1962: March, April, July, October, 1963: January, March, April, 1964: February, April, July, September, December, 1966: May.

Karen Edwards

Miss Karen Edwards was chosen as A.C.C. Homecoming Queen for 1967. Her coronation capped a gala evening

Karen Edwards of Atlanta reigned as ACC Basketball Homecoming Queen for 1966-67 at the annual A.C.C. Homecoming February 25. A freshman majoring in physical education, Karen was chosen from a group of five girls who were nominated by the basketball team and voted on by members of the student body.

Announcement of the Queen was made during half-time festivities. Karen commented that she was both pleased and proud to represent Alpena Community College.

Members of her court included freshmen, Eva Lee Bellingham and Linda Silvers; and sophomores, Ann Gilliland and Julie Losinski.

Collegiate Singers Have Heavy Schedule

"The Collegiate Singers membership is at its highest in the history of ACC," commented Director K. L. Torkelson last week.

The Collegiate Singing Group, a college-credited course, is intended to give students an introduction to good choral art music. The group presents both sacred and secular music and will perform for any local service organizations.

A December 11 Christmas Connotation marked the group's first public performance of the college year. A spring concert is tentatively scheduled for April 23 at the Civic Auditorium. The Alpena Choral Society, Alpena Civic Orchestra and the Collegiate Singers will join forces on May 7 in presenting a "Pops Concert" which will be open to the public. At present the Collegiate Singers are preparing for their spring tour to various high schools throughout the area.

Eligibility for membership in the Choral Group requires an individual audition before the group.

The coronation dance sponsored by the Student Government took place at the Civic Auditorium with music provided by the Count and the Colony, an up-coming band from Bay City. At 11:00 p.m. Queen Karen was presented formally and was officially crowned the 1967 Basketball Homecoming Queen by Coach Tom McPhillips. Members of the court were presented with a single rose and a charm in memory of the occasion. Homecoming festivities

(Continued on Page 2)

A.C.C. May Plan City Recreation

The Community Recreation Class at ACC may develop a recreational program for the City of Alpena.

A recent visit to the Community Recreation Class by Mr. Bob Bianki, City Councilman, brought the lack of recreation in Alpena to the class's attention. Mr. Bianki suggested that the class do some research on recreation in Alpena and submit a plan to him and if the plan is feasible he will submit it to the City Council for approval.

WACC Receives Another Hour

WACC, an Alpena Community College radio program on station WATZ, has expanded to two full hours on Monday night. The new time is from 8:00 p.m. to 10:00 p.m.

Mr. Keith Titus, speech instructor at ACC, is the coordinator of the program. He says that jazz, folk music and editorials will fill in the additional hour.

Only those students who have Speech 104 are allowed direct involvement with the studio work but editorials are welcome from any student writing on any subject.

Next semester this program will be turned over to the Radio and Drama club.

Sophomores Plan Annual Picnic

Once again one of the most productive organizations at ACC reports on its last social event of the year aside from graduation--the sophomore picnic.

The Sophomore Class anticipates the picnic to be one of the biggest social functions of the year and judging by the way the plans

(Continued on Page 4)

K Club Travels To Grand Rapids

Eight members of the college's Circle K Club left Friday, February 10th, for Grand Rapids, to attend the 12th annual Circle K State & District convention. Members attending were: President, Jeff Brasie, Vice President, Mike Roznowski, Treasurer, Charles Lake, Chairman of the Board, Dan Gilmet, Board members, Mike

(Continued on Page 4)

Dorm Committee Has Green Light

The Dormitory Committee was in full swing last week with the appointment of Todd Brady as chairman. Mr. Ritter will work with the committee which is composed of both sophomores and those who will use the new dormitory this autumn.

This committee has the responsibility of setting up judicial and policy rules for the new building. Included as faculty advisers are Dr. Dunckel, Mr. Miesen and Mrs. Buckner.

Setting a standard for all students is a job which requires not only assistance in compliance, but also advice. Such advice will be welcomed by the chairman at any time.

NOTICE!

Sophomores! Would you like to have your picture taken while picking your nose? Well, then, if you don't, you had better furnish the Timber Cruiser with a wallet-size photo of yourself.

The T. C. is compiling a group-shot of all graduating sophomores for the final issue in May. The pictures can be dropped in a box just inside the T. C. office. It behooves all to take prompt action, or risk being mugged by our ace photographer, Marty Hughes, when you least expect it.

EDITORIAL . . .

By JAMES ALLYN

God always favors the heaviest battalions.
— Voltaire

One outstanding principle of limited war is that of staging a huge military bluff. By using our strength with moderation we will show the enemy what we can and may do if aggression is not ceased.

Ho Chi Minh has called our bluff. Infiltration from North Vietnam is running about 7,000 per month. In one recent month, the number of North Vietnamese entering South Vietnam exceeded 13,000.

The psychological aspect of limited war has failed.

An obvious, if not secondary, point appearing to be in favor of the half-war deals with economics. A war such as this will not be as expensive as total commitment.

The cost of the war is over two billion dollars per month. Couple this with the ineffective squandering of the Great Society and one finds a country just beginning to feel the fangs of a serious monetary dilemma.

The economic aspect of limited war has failed.

The most publicized and lauded feature of limited war is also the most harmful and hypocritical. The people of this progressive nation cannot accept the idea of a war where people get killed; a war where we want to destroy the enemy; a war in which we achieve the desired results by burning living beings to charred scraps. Because of this inability to face reality, America has established a precedent: the first humane war. We have entered this conflict in a condescending fashion, establishing moral rules which the enemy totally disregards and even utilizes to his advantage. We are not in a war. We are engaged in a vast social rehabilitation project in which guns and bombs are mundane, but sometimes necessary. By following restrained tactics we can keep civilian casualties at a minimum and properly care for those that are injured.

In this little country over 6,000 Americans have died, over 415,000 civilians have been killed, over 1 million children have been killed, wounded, or burned, a third of all Vietnamese children have already lost both parents or been abandoned, 90% of all injuries (civilian) have reached the stage of serious infection before being treated, some recent search and destroy operations have resulted in six civilian casualties to one Viet Cong, and during the last "truce", 22 Americans were killed.

The humane war is an inane war; it does not and cannot exist.

All aspects of limited war have failed. If the Great Society continues with its failing methods it must be condemned as a purely political machine completely apathetic to the prolonged agony of all members of this tragedy. We do have the power to win. We have waited long enough.

OCCASION

— Corsage Specialist —

LETTERS to EDITOR

I would like to express my appreciation on a job well done, to the members, and the coach of the 1966-67 basketball team.

With only one player back from last year's team, ACC forged a respectable record, considering that the average starting lineup was only about 6 ft. in height, and almost all were inexperienced in college basketball.

ACC should be proud of their basketball team. These boys gave their time and energy into building a successful team, even though most people were not backing them up.

- Gary Jarmuzewski

You have a complaint? You say the book store won't take back your History book you bought yesterday? You say the library has two hundred copies of a book, but you can't take one of them out overnight? You would like to smoke in the main lounge, but someone said there is a "ventilation problem"? You say that when your 1:00 p.m. class meets, the room stinks and there is half a hamburger inside your desk? You say the book store has finally bought your book back at half value? You have a complaint? Don't tell me. Tell your Student Government and put them to work! No one has a right to complain of things he doesn't at least try to straighten out or have explained to him.

- Todd Brady

College Holds Workshop Feb. 21

A Community College Workshop was held at Alpena Community College, February 21, at which time educators discussed the problems and opportunities of the Community College in undergraduate education and two-year terminal programs.

Dr. Gene Geisert, Superintendent of Schools for the Alpena School districts, discussed the future of the Community College in the educational framework of Michigan, and especially the future of Alpena Community College in Northeastern Michigan.

The workshop was held in the new Besser Museum from 9:30 a.m. to 2:30 p.m., with a tour of Alpena Community College Campus at 11:15 and lunch at the Grove.

A general discussion was held at 1:30 p.m., in which the related problems of Alpena Community College were presented and evaluated by the group.

Thomas Ritter, Director of Student Affairs, was in charge of the workshop.

began on noon Friday, February 25, with a pep rally held in Central Hall. Half-time ceremonies at the Port Huron - ACC game consisted of a skit depicting the evolution of cheerleaders. Members of the cast were Marty Hughes, Gary Davis, Sam Chalton, Chris Kuchemann, Barb Hayes, Sue Dagner, Sue Doyle, Donna Froberg, Eva Lee Bellingham, Julie Losinski and Mary Kay Chandler.

Rounding out the event on Saturday, February 25, was the Schoolcraft-ACC game at which time the announcement of Queen was made, followed by the coronation dance.

FIRST FEDERAL SAVINGS & LOAN ASSOCIATION OF ALPENA

— ADVERTISEMENT —

A Community Organization,
Managed by Responsible Local People

Americans save in lots of places, but a definite and important trend is toward the insured savings and loan associations.

Folks in Alpena County now put more of their savings dollars into insured accounts than anywhere else. In so doing, they aid the growth of the county and the area. They also help other substantial citizens, like themselves, to own and build homes. Thus every penny they save is a step forward for the entire community.

These thrifty people receive dividends, compounded quarterly. Their savings are protected by good management and substantial reserves. Each account is insured, up to \$15,000.00 by the Federal Savings and Loan Insurance Corporation, and instrumentality of the United States Government.

First Federal Savings and Loan Association of Alpena offers: Insured Savings Accounts; U. S. Government Bonds; Home Mortgage Loans; Open End Mortgages; Travelers Checks; Savings by Mail; Collections; Christmas Club; Money Orders. Stop in at 115 North 1st Street, Alpena. Phone 356-0161.

Lumberjacks Bow-Out In Tournament

Lay-Off Hurt Lumberjacks

It was evident that the two-week lay off hurt the Lumberjacks last Friday night. Both teams played even-up ball for the first 16 minutes. With four minutes remaining and the score 31-30, Flint put on a scoring spurt and took a halftime lead of 47-34.

In the second half, Alpena whittled the lead to seven points but, the Flint Five went on a scoring binge to make the Jacks take a 16 point whipping; 92-76.

Dennis Blair was Alpena's leading scorer with 21 points. Tim Lutes had 21 points, while Cal Hicks and Dave Sparks had 12 and 11 points respectively.

Intramural Cage Season Closes

The A.C.C. Intramural League wound up its season Monday night with the Oscoda Maulers defeating the Willard Flashes by the score of 42-41. *

Leading scorers in the game were Mike Pynnonen who had 13 points for the Flashes and Reisner who had 12 points for the Maulers. The Maulers also led at the half by the score of 27-24.

With the season over, the players in the league would like to give their thanks to Mr. McGill and Sam Chalton, who were put in charge of the facilities of the Anna Mae Besser gym, and also to Gary Davis and Mike Cadarette, who were the referees. (Continued on Page 4)

Flashes Defeat The All-Stars

On Friday night, February 25, the Willard Flashes played Sam Chalton's All-Stars in the preliminary to the Port Huron Lumberjack game at the Alpena High School gym by the score of 89-67. The big guns for the Flashes were John Miller, who had 27 points, and Jere Marciniak with 19 points and Mike Akkanen with 17 points.

By JIM O'NEIL

The A. C. C. Lumberjacks completed their 1966 - 67 cage season against Vincennes in the opening round of the regional post-season tournaments in Flint.

Vincennes typified the brand of opposition that the Jacks faced all year. The Indiana squad had the all important ingredient to win ball games; height. A lack of height on the A. C. C. team this year was the primary reason for their mediocre success.

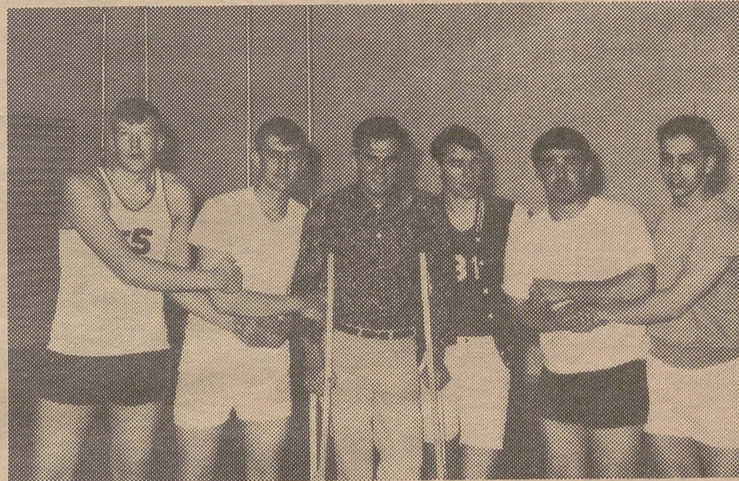

Man for man, I believe that the Lumberjack cagers were second to none in talent and ability this year, but you can't be a winning ball club in this league without some big men to control the rebounds for you. A very large percentage of points are scored every game from right under the backboards. Offensive rebounds and tip-in shots usually bring in the majority of points and the best shooting percentages. When a team can be held, and forced to shoot from outside, they generally lose. Such was the case of the Jacks during the past season.

The Jacks wound up the season with an overall 12-12 record. They were 9-8 in conference play which earned them a sixth place berth in the final Michigan Junior College Conference standings.

The top scorer for the year was Calvin Hicks, who compiled a very impressive 21 point average. Hicks

Sue Doyle Says New Styles Are Fantastic

Although the winter has barely begun, spring fashions are already erupting under the pens of designers.

Wild and wide strips are no longer delicate and suppressed, but are big, gay, and brightly colored in both the male and female lines. Bermuda-length shorts with matching coats and suits with culotte skirts will become popular. Strictly tailored, double-breasted jackets with brass button closings are to swing into spring in many colored florals.

Will ACC be invaded by this flow of fashion? Only spring winds will bring the answer.

Tournament

(Continued from Page 3)

was followed closely in scoring by Dennis Blair with 17 and both Ken Parrish and Tim Lutes with 14 points per game.

Dennis Blair was the leading rebounder for the year with Ken Parrish, Dave Sparks and Tim Lutes giving him sorely needed assistance under the boards.

Prospects for a good season next year seem bright as Coach McPhillips will be losing only one sophomore, Dennis Blair. The coach expressed the fact that he had his eye on some ball players from downstate schools as he will attempt to bolster the squad with some fresh talent. Should this recruiting venture be successful, the Jacks may be the power to contend with next season.

With the basketball season over, the A.C.C. sport season is by no means finished. There will be a variety of sports played this spring which could be of interest to a large number of students interested

enough to participate.

The field includes:

- Baseball coached by Mr. Stephen Speaks.

- Track coached by Mr. Gerry Sumpter.

- Tennis coached by Mr. William Des Champs.

- Golf coached by Mr. Richard Morreau.

Anyone interested in participating in any of these sports should either contact one of the coaches listed above or look for notices that will be posted in the immediate future.

are shaping up, it is bound to be a success. In order that there may be a variety of exciting events for all, the Sophomore Class has commenced organization of the picnic early.

Terry Schmolz, Sophomore Class President, announced at the first Forum that he would welcome any suggestions from the student body in regard to the scavenger hunt, one of the events scheduled for that day. He is hoping, with the students submitting ideas, this will lead to an active participation in the event.

Aside from the scavenger hunt, many other festivities are being planned, such as tug-of-war (2 girls - 1 guy), baseball game, water balloon hunt, all ending at 5:00 p.m., with a free picnic (all you can eat). As an appropriate climax, a dance will be held following the picnic.

Future articles will give you a play by play report on what is happening and all the last minute details.
