# U OF M'S HARLAN HATCHER TO SPEAK

## O.W.S. Becomes Active at A.C.C.

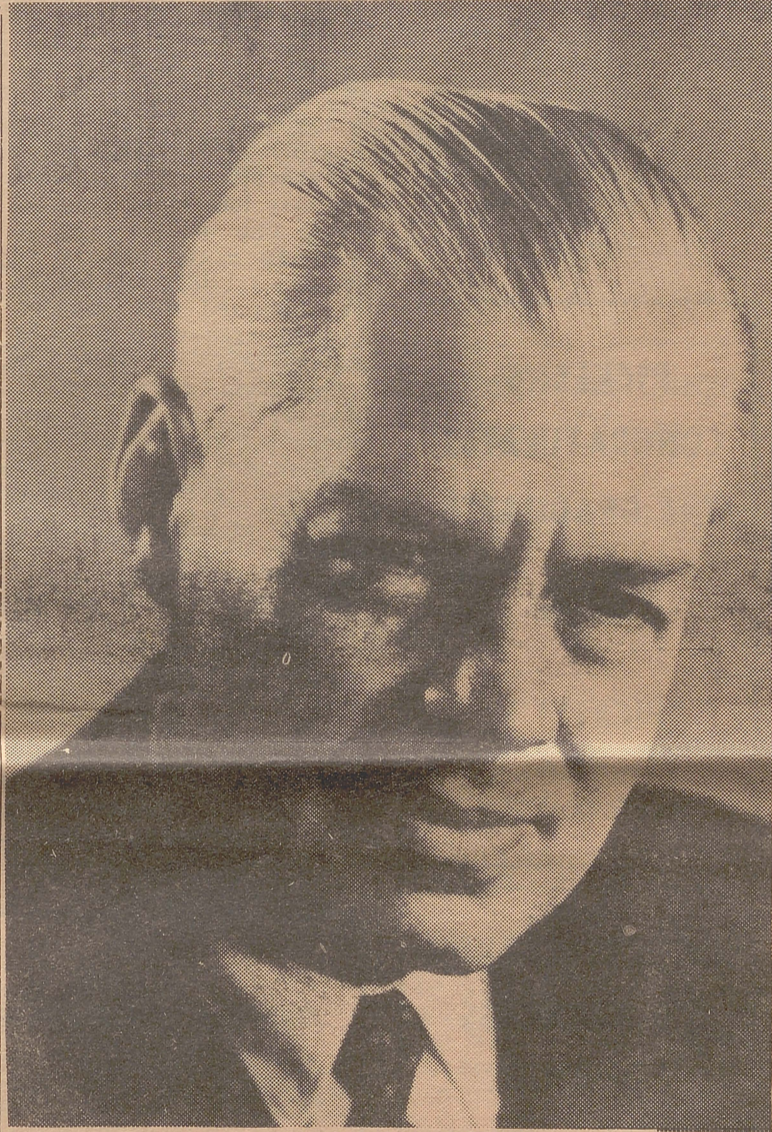

Efforts are now being made to revive the O.W.S. at ACC.

The Organization of Women Students is a service organization which will be open to all female students at Alpena Community College. The main purpose of this club is to encourage interest and participation by women students in activities offered by the school and those which will be initiated by the club.

Any interested persons are advised to contact Mrs. Thelma Hartwick or Dorothy Seeley. Further information concerning club initiation will be posted.

## K Club Travels To Grand Rapids

Eight members of the college's Circle K Club left Friday, February 10th, for Grand Rapids, to attend the 12th annual Circle K State & District convention. Members attending were: President, Jeff Brasie, Vice President, Mike Roznowski, Treasurer, Charles Lake, Chairman of the Board, Dan Gilmet,

HARLAN HATCHER

## U of M President Harlan Hatcher Will Give Commencement Address to Graduating Class of Alpena Community College May 26, 1967

Through the efforts of Dean-Elect Petoskey, the guest speaker for this year's commencement will be Dr. Harlan Hatcher, President of the University of Michigan.

President Hatcher became the eighth president of the University of Michigan in the fall of 1951. He had previously served at Ohio State University as a faculty member from 1922 and a vice-president from 1948 to 1951.

Since coming to office in 1951 the enrollment at the University of Michigan has more than doubled from 17,000 to a current figure

(Continued on Page 2)

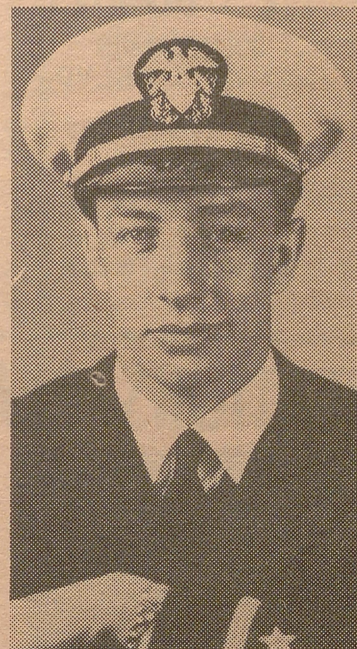

## ACC To Enlarge Next Semester

The Old Folks' Home is ours! The school administration has approved the decision to remodel the building now being used for elementary grade classrooms. The building, which is approximately 200 yds. west of Central Hall, is earmarked for upwards of \$75,000 worth of improvements.

In addition to containing the eating facilities for all dormitory students, it will contain a large book store downstairs, offices for student leaders, recreation and study rooms.

It will be in operation at the beginning of next semester, says Dean Petoskey. This is possibly the best thing that has happened for those men and women interested in a future Student Union.

## Replaces Van Lare

Dean-Elect Jack Petoskey

Newly-elected Dean of Alpena Community College, Jack Petoskey, is a man with a variety of interests. He enjoys hunting, fishing, boating, attending plays, and rock hunting near his

(Continued on Page 4)

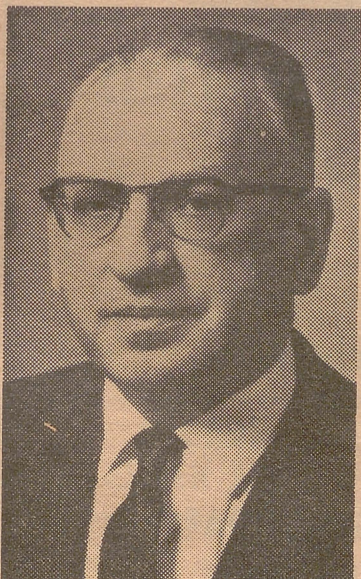

## Mr. Matteson District Head Of M.A.H.E.

Mr. Richard Matteson, history and geography instructor at Alpena Community College has recently been elected District President of the Michigan Association of Higher Education. Mr. Matteson has been active in the Michigan Association of Higher Education throughout his career as a college instructor.

Mr. Matteson has not stated any definite aims while he is District President, but

(Continued on Page 2)

## Dean VanLare To Retire June '68

STANLEY E. VAN LARE

"Moving to this campus in '58," commented Dean Stanley Van Lare when asked what he felt was the greatest accomplishment

he had witnessed in the growth of ACC, "People don't realize that this college lived for six years, using the left-over facilities of the high school."

Born in Marion, New York, Dean Van Lare secured his BA degree at Hope College in Holland, Michigan and continued on with graduate work at Syracuse, New York. Upon his full retirement in 1968, the Dean will have completed a total of 35 years of service in the Alpena Public School System.

Before becoming dean at ACC, he was Director of the Veterans Institute, Director of Guidance and Counseling and head of Adult Education in the Alpena Public School System.

A second major achievement, he felt, was the Alpena Community College

(Continued on Page 6)

## Dorm Committee Has Green Light

The Dormitory Committee was in full swing last week with the appointment of Todd Brady as chairman. Mr. Ritter will work with the committee which is composed of both sophomores and those who will use the new dormitory this autumn.

This committee has the responsibility of setting up judicial and policy rules for the new building. Included as faculty advisers are Dr. Dunckel, Mr. Miesen and Mrs. Buckner.

LETTERS to EDITOR

I would like to express my deepest and warmest gratitude to the staff of THE TIMBER-CRUISER and their all out efforts in giving information to the student body of Circle K functions and activities throughout the past school year.

I would also like to thank Mr. Gary Davis and the student government, Mr. Thomas Ritter, Mr. Keith Titus and the speech 104 class for their supreme coverage of Circle K activities on WACC, Mr. James Meisen (Circle K faculty advisor), the Central Hall/main office staff, and all other student and faculty members who have endorsed or supported Circle K in any manner.

Jeffrey Brasie
President of Circle K

Guest Speaker

(Continued from Page One)

of 37,000. Despite this great increase in enrollment, the quality of education has not gone down but has become better because of his early administration policy which called for better quality in education along with the enrollment increase.

President Hatcher is a past president of the Association of American Universities and in 1965 he headed the American delegation attending the Tokyo conference of the International Association of Universities. He has also headed a Ford Foundation-sponsored study mission to the Soviet Union and South America.

Although his position is very demanding, President Hatcher has found time to study one of his favorite subjects - the history of the Great Lakes and before he assumed this position he had written three books about them. In 1963, in association with Erich A. Walter, recently retired secretary of the U-M, he published "A Pictorial History of the Great Lakes."

Dr. Hatcher received three degrees from Ohio State University: Bachelor of Arts in 1922, Master of Arts in 1923 and the Doctor of Philosophy in 1927. He also did post-doctoral work at the University of Chicago.

President Hatcher has received many honorary degrees and is currently active in many educational organizations.

Matteson

(Continued from Page One)

plans to be more active in the organization.

Mr. Matteson was born in Detroit, Michigan, but is a graduate of Alpena High School. Before returning to Alpena as a college instructor, Mr. Matteson taught at Rochester High School in Rochester, New York. Mr. Matteson holds an A.A. Degree from Alpena Community College, a B.A. Degree in History from Michigan State University and an M.A. Degree in History from Michigan State University.

Mr. Matteson and his family live on US-23 South of Alpena. Mr. Matteson enjoys walking on pleasant days and watching various athletic contests.

ATTENTION!
All Male Students of Alpena Community College

The local Draft Boards will be wanting to know your class rank and other information concerning your student status at Alpena Community College. Your class rank as of June 1, 1967 will not be given to the draft board unless you indicate that you so wish. The college takes the position that your class rank is your personal business. Therefore, your instructions will be followed to the letter, which means that no information concerning class rank will be released to the draft board until you direct us to do so.

The student may pick up from this office a form giving the college the instructions that he wishes the college to follow concerning his draft status. Proper authorization will mean that the student must check the appropriate statement and sign a statement.

The statement will read as follows:

- 1. I request that Alpena Community College send my class rank to my local draft board.
2. I do not wish Alpena Community College to send my class rank to my local draft board.

**Spragg Wins Wrestling Title**

Alpena Community College journeyed to Delta College Saturday March 11 to participate in the Michigan Junior College Conference annual wrestling meet.

Earlier in the week an elimination round was held to see who would represent Alpena in the conference meet.

**Weight Class:**

123 - Mike Ableidinger; 133 - Helerio Gonzoglos; 140 - No representation; 145 - Art MacNee wrestled Gary McKay and lost, Richard Fortier then challenged McKay and won. Fortier represented Alpena in this weight class; 152 - McKay wrestled Romero and won, MacNee challenged McKay and won, Romero moved to the 167 class and MacNee represented Alpena in the 152 class; 157 - Howard Kemnitz; 167 - Tom Romero; Heavyweight - Darryl Spragg beat Ted Spragg 2 out of 3. Darryl represented Alpena.

In the first round Kemnitz was pinned, Gonzoglos was out-pointed, and MacNee and Spragg drew Byes, and Mike Ableidinger won. Ableidinger was pinned in the second round and Art MacNee was out-pointed. Only one Alpena wrestler remained after the second round; Darryl Spragg. Spragg pinned his man and won the match and the heavyweight championship title of the Michigan Junior College Conference.

**INTRAMURAL CHAMPS; "The Number Ones"** - Reading left to right: Tom Davis, Ed Hier, Tom Munro, John Miller, Mike Akkanen and Jerry Marcieniak.

**Intramural Cage Season Closes**

The A.C.C. Intramural League wound up its season Monday night with the Oscoda Maulers defeating the Willard Flashes by the score of 42-41.

Leading scorers in the game were Mike Pynnonen who had 13 points for the Flashes and Reisner who had 12 points for the Maulers. The Maulers also led at the half by the score of 27-24.

With the season over, the players in the league would like to give their thanks to Mr. McGill and Sam Chalton, who were put in charge of the facilities of the Anna Mae Besser gym, and also to Gary Davis and Mike Cadarette, who were the referees.

**Dutcher Bows Out For Eastern Michigan**

October 1966--The staff of the Timber Cruiser, as well as the entire student body extends its best to Jim Dutcher.

Dutcher left ACC this past summer to take over the helm of the Eastern Michigan squad.

In his years as head basketball coach his cagers compiled a very impressive 105 wins to 74 defeats. The 65-66 campaign was by far his finest. The team tallied a 19-3 record for regular season play and tied for the league honors.

Dutcher then led his Lumberjacks through district and regional tournaments to earn national recognition and an invitation to Huteson Kansas for the National Junior College Championship.

The squad dropped two hotly contested games and retired for the year with an enviable 22-5 overall record.

**GO GO GIRLS CLUB - 32**  
Hot Spot Of The North

SNOWBALL CANDIDATES OF ACC - Left to right are: Betty Sands, Evalee Bellingham, Mary Kay Edgley, Mary Kay Chandler, Barb Hays, and Donna Froberg. Missing from the picture was Sue Doyle.

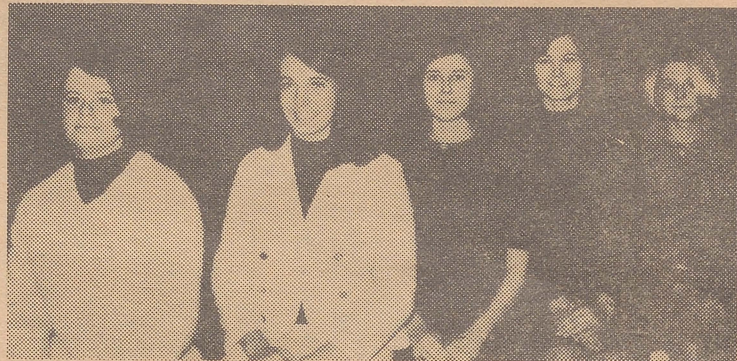

Last but not least was P. E. major Evalee Bellingham sponsored by the Letterman's Club.

Each of the girls had two canisters which the student body gave votes by dropping money into her canisters. The students had a chance to vote as many times for as many candidates as they wished. The polls closed at 5:00 p.m. December 11.

The Queen and her escort (King) was announced at the dance and were given small gifts as a token of recognition.

The tickets were sold at \$4.00 per couple.

### A. C. C. Queen Candidates

Homecoming Queen candidates are, reading from left to right: Eva Lee Bellingham, Karen Edwards, Ann Gilliland, Julie Losinski and Linda Silver.

### ACC Homecoming Plans Announced

The 1967 Alpena Community College Basketball Homecoming game will be tomorrow night, February 25, at the Catholic Central High School gym against Schoolcraft.

Five candidates were nominated by the basketball team and then the entire student body voted for the Queen last Wednesday and Thursday, February 22 and 23. The candidates are two sophomores, Ann Gilliland

and Julie Losinski, and three freshmen, Eva Lee Bellingham, Karen Edwards, and Linda Silver.

The Queen and her Court will be announced during half-time at the homecoming game. She will be crowned at the dance by Coach Tom McPhillips. Dennis Blair, Captain of the Jacks, will present the 1967 Queen with a bouquet of roses.

December 1966--The 1966 "Snow Ball" dance was held Saturday night, December 17 at the Civic theater sponsored by the sophomore class.

Being a combination semiformal dance and buffet, it was staged from 9:00 to 12:00 to the music of the "Poverty and the Depressions."

Seven girls of the Alpena Community College social and administrative groups vied for the title of "Snow Ball" queen. They were sophomores; Barb Hayes, Betty Sands, and Mary Kay Chandler; and freshmen, Sue Doyle, Donna Froberg,

Mary Kay Edgely, and Evalee Bellingham.

Sponsored by the sophomore class, Betty Sands is studying Physical education; while Student Government sponsored Barb Hayes is a science major. Mary Kay Chandler, backed by the cheerleaders, states social science as her major interest.

The freshman representative on the E.I.P. program was Sue Doyle. In addition, both the journalism and Circle K's co-eds who vied for queen, Donna Froberg and Mary Kay Edgely respectively, are on the Liberal Arts course.

### Petoskey

(Continued from Page One)

cottage in Greenbush. While in high school and college, he actively participated in football.

Dean-elect Petoskey has held many different positions during his career. Among them were: Director of Athletics at Hillsdale College, Head Coach at Western Michigan University (1952 - 56), Associate Professor of physical education at Western Michigan University, and Director of Orientation in the registrar's office at the University of Michigan.

### Jury Finds Boy Not Guilty

The Radio Drama Club presented Twelve Angry Men, a play in three acts, by Reginald Rose at the Civic Auditorium on March 27 and 28. The play took place in an assimilated jury room where the fate of a 17 year old boy was to be decided. The boy is accused of killing his father with a knife and the jury must decide his guilt or innocence. As the play ends, the boy is found not guilty.

### Collegiate Singers Have Heavy Schedule

Larry Torkelson Directing Alpena Community College Singers

### Singers Present Spring Concerts

The Collegiate singers of Alpena Community College, under the direction of Mr. Larry Torkelson, presented their annual spring concert on May 4th at the Civic Auditorium. This concert was free to the student body and the general public.

On May 8th and 9th, the choral group traveled on their annual spring concert tour. They visited the high schools at Mackinaw City and Atlanta on May 8th, and also Tawas and Oscoda on Tuesday, May 9th.

These concerts included Sacred and Madrical selections, as well as Popular selections from the off-Broadway musical show, "The Fantastics."

The concerts had as an added attraction the following soloists: Glen Steinman; Pat Boudreau and Nicola Berg.

Collegiate Singers is a college credit course worth one credit per semester. At the present time, the choral group is enjoying its highest peak of membership, with fifty-five people enrolled.

### First '67 Student Forums Initiated

Wednesday, February 8 marked the first of the Student Forums to be held in the 1966-67 academic year.

Moderator Sam Pappas urged students to "speak out" with their grievances about college policies. Among the queries raised were the purpose of the Student Government, the lack of enthusiasm in local activities, and the significance of the activity fee.

The Student Forum, originally initiated by the Student Government, is intended to allow the students to voice opinions and offer suggestions about the activities and policies of ACC.

### Van Lare

(Continued from Page One) recognition in the North Central Association. "This is the highest possible accreditation afforded to a college and is recognized anywhere in the United States."

When asked his opinion towards the break-away of the College from the Alpena Board of Education he replied, "I'm in favor of studying it." In his annual report of 1965 he indicated that he felt it was important that the College be separated from the Alpena Public School System, and at the present time such a separation is under consideration.

In the future Dean Van Lare feels that it is very important that the Educational Student Center or Student Union be built. "This will serve as a melting pot--a place to bring all kinds of students together." With the help of HEF (Higher Educational Facilities Act) this will soon be possible.

Stanley Van Lare will be leaving the college in June 1968, yet he will remain in employment as consultant for the purpose of helping with the millage campaign until December 31, 1968 at which time he will fully retire.

### S.E.A. Surveys Mentally Retarded

"Know yourself," was Mrs. Marion Dunckel's strongest recommendation to the members of the Student Education Association at the February 1 meeting.

Mrs. Dunckel, an instructor at the Pied Piper Center (Alpena's retardation center) discussed mental retardation and the operations and advancements of the local center. She also voiced the opinion that a career in the field of special education should be in view with the first year of college experience.

### KEITH TITUS FINDS TIME FOR MANY THINGS

Keith Titus Directing Civic Theatre

Besides judging the ACC debate team, being moderator of the weekly "WACC" program, and speech instructor at ACC, Keith Titus somehow finds time for approximately 15 hours a week as director of the Alpena Civic Theater. How he finds time for all these activities (while acting in or working behind the stage in all productions), is a well kept secret. Over the past year there have been 5 productions at the Civic Theater including: "Everybody Loves Opel", "Death of A Salesman", "God's Trombones", "Take Her She's Mine", and the current work, "Fantastics."

"Fantastics" will end the program for the year.

Of his experience, Mr. Titus had this to say: "The first year is always difficult. The cooperation of Civic Theatre members and ACC students has resulted in a most enjoyable and high quality season."

Through his endless work, Mr. Titus has demanded the respect and admiration of his community, his colleagues and his students.

Food is still a bargain. Average incomes in the U. S. have doubled since 1950 while food costs have risen only 25 per cent.

Dr. E. L. Dunckel

Friday, April 21, 1967

Dr. Elbridge L. Dunckel, professor of physical and biological science and anatomy at Alpena Community College, has been selected as president-elect of the Michigan Association of Higher Education.

The announcement was made Thursday by Dr. Milton Brown, director of the association which is made up of professors and instructors in the universities, four-year colleges and junior colleges of Michigan.

The appointment of Dr. Dunckel marks the first time a junior or community college teacher has been elected to the office of president-elect which automatically makes him next year's president.

The following students have won secretarial awards this year:

### A STUDENT'S VIEW ON REGISTRATION

Registration days at ACC were hectic and confusing to say the least. "Pick up one of these, read this, fill out those, sign here." Who wouldn't be confused? But with the paperwork done, there was nothing to do but sell the old books and get some new ones. Unfortunately, the bookstore was all through "buying-back" the books and was only selling them. It seems that the bookstore bought back the books the previous week and was no longer accepting them. Students were to sell them even before they found out if they had passed.

## ON THE SCENE

Dolores Kannowski

The siren song of spring distracts many a student these days . . . RICK HAMPTON sat in the lounge with his book open in front of him but his gaze kept drifting toward the reflected sunshine on Besser Lake...ANN JODWAY had her books open, too, but TOM PETERS and the 'great outdoors' kept diverting her attention... Effervescent laughter burst from BOB JEFFERSON when he investigated the fine print under the leading line of a dance poster (Free Beer - To The Millionth Arrival)... LINDA SILVER flashed a small hand weighted down with a man sized class ring ... and JIM DUMONT marked a distinction between education and indoctrination over a hot cup of coffee while TOM ALLUM served a brimming cupful to MRS. McLENNAN at her table...TERRY JASKOLSKI showed his table partners a stone tool he'd found while on a Seminar excursion . . . In the office: GRACE said she'll miss us...but then, she was always kind. . .and brainy LINDA STANDEN still pretties up the bookstore window ... MRS. TAYLOR spoke of future plans and Florida ... ACC scientist, MR. MOREAU, told us the Dow Chemical Scholarship for Junior and Community Colleges has been awarded to ART KONWINSKI for study at Michigan Tech... This is the first time an ACC student has won this award. . . congratulations, Art. The indefatigable MR.

TORKELSON stopped a moment to josh MRS. FEINDT about a rumored change in the name of Besser Museum...the new name would include the word 'music' and music is very much Mr. Torkelson's department...If the rumor is true, the museum will become the ACC Building of History, Science, MUSIC and Art...LON PETERS has been called "the representative of the ministerial association" but his fine sense of comedy and timing, coupled with his droll delivery of the mundane, make him a natural successor to Jack Benny or Brother Smothers ... That sleek, fiberglass sailboat on display at Besser Tech is a great reminder of a newly organ-

ized ACC Sailing Club, President - Dale Kaiser, Sandy Hartnell - Commodore...News of the club spread fast and INSTRUCTOR HEIMNICK, (anthropologist, sociologist, philosopher, AND boatman of note) has collected quite a crew for sailing the 'bounding

main' fun...A Joan Baez record jacket says, "Would I embarrass you very much if I told you that I loved you?"...need it be told?...if so, consider it done, Friend. Thanks to MR. ORR and the Timbercruiser editor, JIM ALLYN, for letting me write to you... It's been great fun...
