

Fall, 1974

Alpena Community College, Alpena Michigan 49707

Vol. 6 No.1

13 Foreign Students To Enter A.C.C.

Alpena Community College is fortunate enough to receive 13 foreign students for this 1974-1975 fall class program. Five of these foreign students are from Kolonia, Ponape, in the East Caroline Islands, five are from Moen, Truk, in the East Caroline Islands, and three are from Koror, Palau, which is also located in the East Caroline Islands. These students are coming to A.C.C. through our involvement in the Pacific Micronesian Cultuarl Aid, Inc. Program. This program, in short, helps students 'come to college'. All of the foreign students under this program are eligible for work study programs, federal loans, jobs, grants, and all federal financial aid programs.

Each of these 13 students entering A.C.C. comes from an excellent academic background as a student, and also has a superb record as a citizen. Although all the students' registrations have not yet been made final, those on record include a couple from Kuwait, named Najed Majed and Shuaa Majed Dakkak;

Enrollment Up For 1974–1975 Fall Semester

The enrollment for the 1974-1975 fall semester at A.C.C. is up about 12% over that of 1973-1974. Last year's student count was 467 students, while this fall the count was 533. For new incoming students included in this count, the enrollment count is up 10--15% for the fall semester. In talking with Dean Souden, Dean of Students at A.C.C., he deemed this increase to several factors, including better followup of new students with:

- A. Housing information mailed
- B. Orientation better organized
- C. Newsletters mailed to new incoming students
- D. Registration and final orientation well-organized and complete

Of course, no one can explain an increase in new student enrollment; but, with a better organized system within the college itself, registration at A.C.C. becomes a smoother process by which students can join and share in a better learning environment.

and from Coasta Rica, we'll be receiving (Cruz) Frederico G. Leiva.

In talking with Mr. Whitkoph, he seemed excited about these new faces to arrive at A.C.C. He responded, when asked how he felt about the new foreign students entering our college,

"I feel it will be interesting for us and interesting for them."

Administrative Changes Made

Two major changes have been made official as of August 1, 1974, at Alpena Community College. These changes include the Registrar Official, who was formerly Mr. Henry V.Valli, and The Director of Occupational Programs and The Building and Grounds Official, formerly Mr. Dale N. Illsley.

Official

The Registration position has now been divided into five different areas:

- A. Institutional Research
- B. Registration
- C. Records
- D. Development of Class Schedules
- E. Reports

The new Registration officers of these various areas include Dean of Students, Dean Souden; Dean of the Faculty, Dean Heimnick; Data Processing Manager, Mr. Gary R. Welke; Assistant Dean of Students, Mr. Owen Whitkopf; Director of Continuing Education, Mr. John W. McCormack; and others, including Mr. Mike Hood; Mr. Frank A. McCourt, Counselor; and Mr. Richard Counsellor, Counselor.

The new officers of The Director of Occupational Programs and The Building and Grounds Official include: Dean of the Faculty, Dean Heimnick; Associate Dean, Mr. Alan E. Reed; Mr. Paul Bott; Vice President for Business Affairs, Mr. Stewart L. Olmstead; and Mr. Henry V. Valli

These alterations of job positions have been made official by the Board at A.C.C. under the two conclusions that:

- A. there was a need for change
- B. the administration positions needed to be altered accordingly.

Attention Dorm Students! New Health Service Available

A new health service has been made available to all dorm students at A.C.C. This service should prove to greatly reduce the problems formerly encountered with difficulties in receiving health-care treatment for students.

The outline for this program appears below:

COLLEGE HEALTH CARE SERVICE

Beginning with the 1974-1975 school year, Alpena Community College will be providing a health care service to all students living in Russell Wilson Residence Hall. The students will see a doctor at the Medical Arts Clinic in Alpena and will be billed by the College according to the following schedule:

EIGHT CALLS WILL BE ALLOWED

1st Call - \$4.00 2nd Call - \$4.00

3rd Call - \$4.00 4th Call - \$5.00 5th Call - \$6.00

6th Call - \$7.00 7th Call - \$7.00

8th and all additional calls - \$8.00

This charge is based on a routine call. Any additional charges (such as prescriptions, x-rays, emergency room service and/or extensive examinations) will be provided when you register in the fall. If you have any questions concerning this, please feel free to contact Dean Souden.

Tuesday Sentember 3

Monday, September 9

RECISTRATION
OPEN FOR
1974-1975

All new students entering A.C.C. are responsible for registering under the orientation program provided by the college. Listed below is a schedule of that program for September 3 thru 9, as it occurs for the 1974-1975 fall semester.

ORIENTATION 1974

Tuesday, September 3	
6:00 - 9:00	Residence Hall Check-InDorm Students
Wednesday, September 4	
8:00 - 12:00	ACT Residual Testing
9:00 - 11:00	Residence Hall Check In
12:00 - 1:30	Luncheon
1:30 - 3:00	Parents Program
2:00 - 3:00	Opening General Session Students
3:00 - 4:30	Small Group Session
6:00 - 7:30	Recreation
8:00 - 12:00	Entertainment
Thursday, September 5	
9:00 - 12:00	Group A - Academic Advising - Registration
	Group B - Student Services Film
	Group C - Placement Testing
1:00 - 4:00	Group A - Bookstore, Recreation
	Group B - Academic Advising, Registration
	Group C - Student Services Film
6:00 - 8:00	Recreation
8:00 - 12:00	Entertainment
Friday, September 6	
9:00 - 12:00	Group A - Student Services Film
	Group B - Bookstore, Recreation
	Group C - Academic Advising, Registration
1:00 - 4:00	Recreation, Bookstore
7:00 - 12:00	Entertainment

Anaylsis Of Undergraduate Teacher Placement

The Office of Teacher Placement, along with Chester A. McCormick, Director, and Paulette Grotrian, Assistant to the director at Wayne State University conducted this survey in an attempt to determine what demand there was for teachers in Metropolitan Detroit.

Through this survey then, it was established, therefore, that there is definitely a need for teachers in the Metropolitan Detroit area.

The placement picture for the 1,260 newly certified teachers during the 9/72 - 8/73 period is as follows:

		<u>%</u>	# Students
teaching contracts		71	895
other wise employed		9	113
grad study (73-74)		2	25
homemakers		2	25
unable to contact after 3 follow ups		9	113
		93%	1,171
still looking		7%	89
	ГОТАL	100%	1,260

*Factors influencing teaching market:

1) decrease in birth rate

MARK TWAIN

You can buy a man's time; you can buy

his physical presence at a given place;

you can even buy a measured number of

his skilled muscular motions per hour.

But you can not buy enthusiasm...you can not buy loyalty...you can not buy the devotion of hearts, minds or souls.

You must earn these.

2) inability to move outside of metropolitan Detroit

*Factors influencing teaching market:

Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great.

Senior Information Day Held

Debbie Dubey entering one of her "interest sessions" on Senior Information Day.

Students from Alpena Senior High were invited on Thursday, March 14, 1974 to a college program Information Day at Alpena Community College.

The program provided answers to graduating seniors about the college campus and the different programs it offered.

A general meeting was held for all students and then they were given a program, listing academic programs offered at A.C.C. and the building and room number where they could meet with a professor or teacher in that field.

Two sessions were held to allow students to meet with professors in their first and second choice of interest areas.

The program ended with a social hour which was held in the "Cave" in the Student Activities building where free refreshments were served.

JOIN A CLUB?

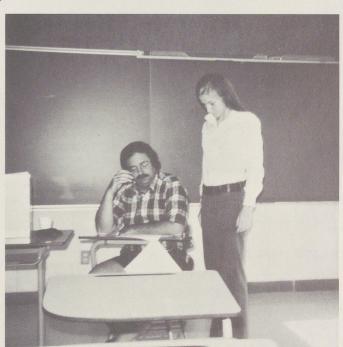

To incoming college students, getting involved and feeling part of the college can be very meaningful. To help students better get to know each other and the campus life itself, A.C.C. has 12 organitions or clubs in operation on the campus.

To be more specific, the 12 organizations are: Alpah Psi Omicron (Sorority), Phi Sigma Beta (Fraternity), Circle K, Golden Z, Vets Club, Law Enforcement Club, Forrestry Club, Ski Club, Fisheries Club, Chess Club, Phi Theta Kappa, and Cheerleaders.

The Fraternity and Sorority are two social clubs that strive for "sisterhood" and "brotherhood" respectively. A close relationship between each member is developed, and through this a shaping of the personality. Each of these groups aid the community in various ways. Vets Club, is a service organization for veterans only, as the name implies. They sponsor various activities for the benefit of the community. Golden Z, sponsored by the Zonta Club is a service organization whose goal is to serve the school, community, and world. They do this by staging events as the annual Snowball Dance, and Thunder Bay Classics. Circle K, sponsored by the Kiwanis Club, does much the same as the Golden Z. Phi Theta Kappa, is an honorary fraternity that promotes scholarship and academic interest in the student body. Ski Club, Chess Club, Law Enforcement Club, Forrestry Club, Fisheries Club, and the Cheerleaders, are social clubs where members join with others who have the same interests in common. These clubs also have various activities which they sponsor.

Each and everyone of these clubs in some way makes a contribution to the school and community, and without them aspects of Alpena Community College would certainly be missing!

Debbie Dubey being advised by Mr. Richard Matteson, Academic Advisor.

Lets Clean Up Alpena

In April 27th, a Campus Cleanup was held at A.C.C. Just to give newcomers an idea of how their involvement can really help, we have reprinted the campus cleanup article below. It was entitled "CAMPUS CLEANUP SUC-CESSFUL" - - it was successful if, during the next one, it gets vou involved at Alpena Community College! It appeared as the following:

CAMPUS CLEANUP SUCCESSFUL

by Debbie Anderson

The 9 students that showed up for the A.C.C. cleanup on April 27th really put their all into the job. It was their spirit and concern that made the cleanup a success! They were; Jim Nichols, Dale Niekart, Paul Gunderson, Duane Kruger, Billi Fetter, Dan Silva, Gil Bartz, Joan Emerson, Deb Anderson, Mr. Doug Smith, and "Sam". We covered Grant Street and the college area. Later, we had a picnic lunch at the college prepared by Tom Rohn.

As a group, we were disappointed in our friends and teachers. We had planned on at least 50 students and at least one third of the teachers. But now, we know why our community is the MESS that it is...no one is willing to invest their time and effort into saving our environment. We are lucky to live in Alpena - - we still have clean rivers, forest to hike in, and wild animals-many people in the U.S. are glad to have a tree in their yard! But do you show your appreciation? Look around - -

garbage lines the streets and roads of Alpena - - we did a lot, but we could have done more, if you had been there! You've got to start somewhere. Don't talk about it anymore - - Do SOME-THING!!! before its too late.

Come on, "Sam", let's clean this mess up.

Success is in the bag!!!

Summer Session Impressive

Alpena Community College's 1974 summer school program ran from June 10, 1974 to July 19, 1974. The summer class enrollment involved 247 students. This was a small increase from the 232 students involved in the 1972-1973 summer program at A.C.C.

A mail registration was used during the summer school session, this was a first for the summer program at Alpena Community College. The program worked well, according to Mr. Henry Valli,

"It proved to be quite effective because people didn't have to stand in line to get their money in."

Some of the new summer classes offered were the following:

1. Introduction to Physical and Biological Science/Dr. Elbridge, L. Dunck-

2. Short Story/Mr. James H. Miesen

3. Humanities/Mr. Terry Hall 4. Analytic Geometry and Calculus/

Mr. James H. Miesen

5. Abnormal Psychology/Mr. Len Puustinen

In summing up, it can be said that A.C.C. produced a very impressive summer program by all involved!

SWING INTO FALLILL

All Students Take Note...

If a student drops a course within 8 instructional days of its beginning and returns the book to the Bookstore with both the sales slip and a drop slip, a complete refund will be made PROVIDED the book is unmarked and in good condition. Beyond this time a book must be considered a used book and only 1/2 of the purchase price will be paid.

The Bookstore is not obligated to make refunds on any book so remember the rules:

- 1. Within 8 instructional days.
- 2. Both sales and drop slip necessary.
- 3. Mint condition.

A TIP TO STUDENTS:

As soon as you know you will be staying in a course find a way to identify your books. Keep a record of your manner of identification and if a book is lost report it immediately to the Bookstore. We have a very good recovery rating on cases in the past when identification is possible.

So students, welcome to A.C.C. We are happy to serve and cooperate with you. Have a good year.

THE BOOKSTORE

P.S. End-of-semester book buy-backs are the week of final exams ONLY.

THE POLEMIC Prepared By

> Sandy Mahar June Hinkley

If you drive a 1965 to 69 full-size Chevrolet or Nova V-8, or a you drive a 1965 to 69 full-size Chevfolet or Nova V-8, of a 7 to 69 Camaro V-8, you're in serious danger.

Those cars were built with faulty engine mounts.

If one breaks and the engine shifts, it can jam your accelerator ide open and knock out your power brakes at the same time.

The greatest dangers are fast starts and turns.

Several thousand accidents and injuries have been reported,

and some deaths have been alleged

General Motors has announced they won't give you new engine mounts. But they have agreed to install a free safety cable that'll hold the engine in place.

That way if a mount goes, you won't.

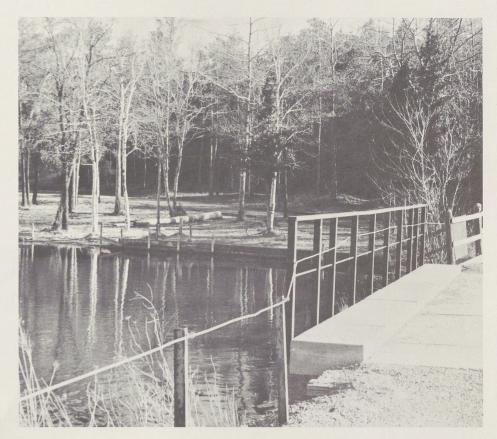

If you're driving one of these cars, get it to a Chevrolet service department...slowly.

Parting Scenes from Last Spring at A.C.C.....

Catch!

A clear day at the park.

Bird Watching.

Oh, go fly a kite!

Picking a mate.

Oh boy.....food!!

Free beer for everyone.

All hands on deck...

I've been tied to better things.

Spring

Weekend Bash... Entertaining For All

The Spring Weekend Bash, held May 10th on Island Park, was quite successful with many local and dorm students attending.

Food, along with soft drinks and watermelon, was served to the students from 3:00 p.m. until around 6:00 p.m. Free beer was also given out to students as long as the supply lasted.

as long as the supply lasted.

For the sports-minded students, games were featured in the early evening. An egg-toss started things out, followed by three-legged races between teams of girls vs. girls, boys vs. boys, and a girl-guy team. Other games such as tug-o-war between local girls versus the dorm girls and the same with the boys (dorm vs. local), a bat throwing contest for the boys, and volley ball games for everyone were also played.

Live music, provided by KETCH from Lansing, finished up the evening, with the band playing from 8:00 to 12:00 p.m.

Call in the reserves.

Now this is more like it.!

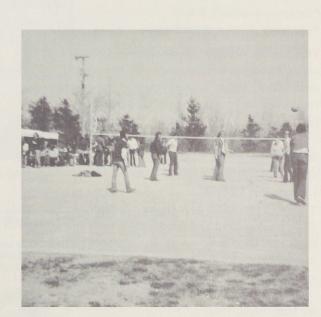

Bring on the 12th course!

I think I missed.

One for you & two for me.

Volley ball was enjoyed by all.

Is Addicting

(CPS) - - Two researchers at Pennsylvania State University have discovered that students who are heavy cola drinkers go through a physical withdrawal if not permitted to consume their normal cola

Elliot Diamond and John Pfifferling Penn State students who used 57 drank between 48 and 111 ounces of cola per day, the equivalent of four to nine large bottles, for the study group.

The cola drinkers reported withdrawal symptoms which included depression, nervousness, decreased alertness, sleeping difficulties, frequent mood changes and various other behavioral difficulties.

One subject wrote: "I can't possibly imagine not drinking it - - it's the biggest part of my food budget and often serves as a substitute for food when I'm not hungry." Others reported a "strong craving" for colas and believed it heightens performance on exams and during studying. One "colaholic", as they were termed in the study, said that she simply couldn't get along without cola.

Diamond and Pfifferling believe that the cause of the problem is the caffeine content of most colas. Caffeine, a central nervous system stimulant, has been blamed for similar withdrawal symtoms in heavy coffee drinkers who are forced to cut back on their consumption of that drink.

Student Senate Invites Student Involvement

By Joan Emerson

Involvement outside of the college classroom is essential if one is to become well "educated". Students at A.C.C. have an ideal situation for them to be active members of the college. There is a Student Senate, who's members are elected by fellow students. A President leads with a Vice President, Secretary, Treasurer, four members from the Sophomore class, and four members from the Freshman class.

There are 5 boards on Campus which students are seated as voting members. They are:

- *Publications Board
- *Student Judiciary Board
- *Budget Review Board
- *Campus Activities Board
- *Cirricualr Review Board

Those who wish to be on any of the above boards are required to fill out a short letter, which is then reviewed by the Senate and appointments made from

This year the students who wish to run for a Student Senate office will be able to campaign from September 9-18. Election will be held Tuesday, September 17 and Wednesday, September 18. Petitions are due Friday, September 13. Petitions can be picked up at the Student Services Office and should be returned

Don't lose out. Become involved and see how things work.

- *CAMPAIGN DAY SEPTEMBER 9-18
- *PETITIONS DUE NOON, SEPTEMBER
- *ELECTION DAY SEPTEMBER 17-18

College Presents End-Of-Year Awards

The Awards Banquet was held on May 9, 1974 at the Presbyterian Church, starting at 5:00 p.m.

A dinner was served to all students and teachers attending and then following this, the various awards were presented.

Here are some scenes from the banquet:

Dave Walters, Bob Illsley, Linda Lewandowski, Tom Anderson, Dave Harrison, and Thad Kaiser received Sports Awards.

Coach Miles giving out Intramural awards.

Coach Morse giving Art Bennett an award for basketball.

Drew Allbritten, Master of Ceremonies.

Joan Emerson, Debbie Anderson, and Steve Szucs were given outstanding activities awards.

Dr. Stoutenburg giving Mr. Puustinen a letter of recognition for helping in various organizations.
