

TRAPSHOOTING - FALL 1971

ACC FIRST

THE POLEMIC

Volume 3 No. 2

A Student Newspaper

November, 1971

New Advisor for POLEMIC

Mr. James Mieson, English Department Instructor, has taken over the responsibilities of advisor of the student newspaper, the POLEMIC.

An instructor at ACC for several years, Mr. Mieson completed requirements for his PHD and is now a candidate. Mr. Mieson is active on many ACC committees and in community affairs. He is a member of the Curriculum Committee here at ACC, and is chairman of the Joint Student-Faculty Administrative Evaluation Committee. He is also Vice-president of the Faculty and President of the Civic Theater here in Alpena.

The newspaper's former advisor, Mr. Terry Quinn, is chairman of the Developmental Program, and feels no longer has enough time to devote to the publication.

The POLEMIC staff wishes to thank Mr. Quinn for all his help in the past. He has been a true leader, and we will miss having him around.

As for Mr. Mieson, we extend a warm welcome, and add that the aspirin bottle is in the top desk drawer. We look forward to working with you during the year.

Right Guard

A 140-page study by the American Civil Liberties Union on the increasing National Guardsmen as auxiliary police revealed the Guard was called out 324 times from January 1968 to May 1970; in that last month alone, the Guard appeared 24 times in 16 states.

Construction workers put in final touches to the new sidewalk leading from the college to the student center.

Sophmores.....

Remember those cold dangerous walks last winter between the college and student center? The city was unable to do anything about the coldness, but a sidewalk has now been constructed and this should eliminate walking on Johnson Street.

Three cheers to city Government for their concern over the safety of Alpena College Students.

VERY INTERESTING

The advanced speech class, 126, Interpretive Reading under the direction of Mr. K. Titus, will be presenting an unusual program sometime during the first part of December.

Since the beginning of the semester they have been gathering music, pictures and literature from the Civil War period. Representative literary selections include cuttings from Sandburg's Lincoln Trilogy, Whitman's Leaves of Grass, Benet's John Brown's Body, from Mark Twain, Anderson-

Intramural Football

The intramural flag football came to a finale Thursday, October 28, with the Men's and Women's championship games. Both championships were won by a team from Wilson Hall.

The Women's championship featured a sensational battle between the Hustlers, who compiled the best offensive league statistics, and the Bumpaboobadaes (3-North), who compiled the best defensive league statistics. The first score in the game was by the Bumpaboobadaes on the 5 yard run by Betty Gustafson. The extra point was good; a pass from Betty Gustafson to Debbie Fox. The Hustlers bounced back with a 40 yard run by Patrice Munero. The extra point attempt was no good. The Hustlers trail 7-6. The Bumpaboobadaes scored again on a pass play which covered 55 yards; Gustafson to Fox again. The extra point was denied and the score stood at 13-6. The Hustlers made a late bid to tie the game when Miss Bowersocks intercepted her third pass of the game.

ville Trial, first-hand accounts of battles and similar material.

After editing, a narrative section will be written to tie the body of the work together. Choral and individual reading, music (both live and recorded) and slides will comprise the production techniques. Gene Jeneman, Director of Besser Planetarium, is co-operating by making the facilities and effects of the planetarium available as an environment for the production.

by Mr. K. Titus

Seconds later she ran 4 yards for a touchdown. The Hustlers extra point was short. The Bumpaboobadaes held the lead, 13-12 as the game ended.

The Men's championship game featured an undefeated Rogers City team and the "N.A.D.S." (1-South), who had the best offensive team in the league. Rogers City drew first blood on a 30 yard pass play, Schmidt to Grulke. The extra point was no good. The N.A.D.S. came right back with a 15 yard passing strike from Lavelle to Hennigar. Lavelle ran over the extra point. Rogers City now trailed, 7-6. On the ensuing kick-off the ball was fumbled in the end-zone; the N.A.D.S. were awarded two points for the safety. The N.A.D.S. now lead 9-6. However just before the half ended, Rogers City fought back and scored on a 10 yard pass from Grulke to Bellmore. The half ended with Rogers City leading 12-9. The second half was a defensive battle all the way. But an interception by Bacon and his 60 yard run for a score gave the N.A.D.S. a lead late in the game. The extra point was good; a pass from Lavelle to Sommers made the score 16-12. The valiant Rogers City team drove down the field in the closing seconds, but were denied. The game ended 16-12 in favor of the N.A.D.S.

Tiger Power

A team of biologists studying the effects of war on the ecology of Vietnam found that amidst the devastation one organism had successfully adapted to the environmental disruption. The animal is the tiger.

Tigers had learned to associate the sound of gunfire with the presence of human carrion, and were surviving quite well on their new, plentiful and easily located food supply.
