

Looking Back . . .

At Spring Weekend '73

ACC's annual "Spring Weekend" was held on May 11, the last day of classes, at Sportsmens' Island.

Students, faculty members, staff members, and administrators showed up for the event, sponsored by Circle K Club.

Plenty of food, music, and beer was on hand, and, as evidenced by these pictures, a good time was had by all!!

Pictures were taken by Mark Patterson, last semester's POLEMIC photographer.

From one beer lover to another . . .

HIC!

Let's see . . . nobody's looking now, so if I sneak a swig real quick . . .
