*It seems an eternity
Since we spent Christmas together.
We call,
We exchange Christmas cards,
But it's just not the same.
When we're young,
We tend to take family for granted.
Like I did.
We don't realize the importance
Of family.
We don't take the time to recognize
the security.
We don't know how to appreciate
that love.
So it will be different
When you come back, Dad.
Because I know
And you know.
We realize the importance
We recognize the security
And we've learned to appreciate
Our love
And our relationship.
So when you come back, Dad
I promise -
If you'll promise
that I can still be your little girl
Because it seems an eternity
Since we spent Christmas
Together.*

With Love,
Denine
