# Intramural Sports Features Highlights of '73-74

The Intramural Sports program, directed by Mr. Richard E. Miles, has shown to be a success for the fall semester (1973-74). There were fourteen events covered in the fall semester in which 915 people registered to participate in the various sports and there were 3204 participations (or the times that a person actually competed in an event). There was more participation first semester than there had been before in Intramural Sports' past at A.C.C.

The only sport that didn't make it was badminton (singles and doubles) which was due to lack of participation. The problem is that it was held at the Armory, which is quite a distance from campus and, thus, harder to get participants.

All medals for first semester were given out before Spring vacation. There will be no medals given for second (spring) semester events. In the area of points, the college champion leaders are as follows-- (as of the beginning of second semester):

**FEMALE:**

- 1. Anne Swan (116.5)
- 2. Anne Schemanski (102.0)
- 3. Terri Cubic (98.0)

**MALE:**

- 1. Ed Lowery (120.0)
- 2. Jim Nichols (108.5)
- 3. Jeff Lamos (101.66)

**DOUBLES POINTS (FEMALE):**

- 1. Anne Swan & Anne Schemanski (40)
- 2. Melissa Hoesli & Diane Bensen (35)
- 3. Beth Brindell & Marie Bauer (30)

**DOUBLES POINTS (MALE):**

- 1. Dan Nivelt & Greg Pichan (40)
- 2. Gary Parsons & Louie Dubey (35)
- 3. Phil Skinner & Bill Skiba (30)

**TEAM SPORTS (FEMALE):**

- 1. 2--North (185)
- 2. 3--North (110)
- 3. Dames (65)

**TEAM SPORTS (MALE):**

- 1. Alpena Locals (175)
- 2. 2--South (167.5)
- 3. 3--South (137.5)

Trophies will be given at the Intramural Banquet at the end of this semester to the leaders in each category!

Second semester is filled with more events for anyone who wants some challenge and fun. They are basketball (finished up), bowling (finished up before spring vacation), handball (singles & doubles), paddleball (singles & doubles), billards (singles & doubles), floor hockey (has been in progress), chess & checkers, softball tournament, horseshoes (singles & doubles), tennis (doubles), and A.C.C. Olympics. There will be no cross-country skiing (due to the obvious lack of snow), ping-pong, or shuffleboard (due to the lack of a place to hold these last two events).

The A.C.C. Olympics may possibly be held Spring weekend (first weekend in May) and will consist of 10 different events (6 individuals and 4 team events). Some possible events might be distance throw, weight pulling, relay run, and events for distance and accuracy. There will be one person per event, except for the 6-man team events.

The softball Tournament is to be a double-elimination event. Teams will have one practice game to get organized, as soon as a team loses 2 games they're out of competition. This is to be more competitive and get as many games in while the good weather lasts. It is all part of the challenge and fun planned for second semester in the Intramural Sports Program!!
