

Ladyjacks Place in Conference

In state tourney action, Tabatha Koger paced the Ladyjacks with 32 points to take a first-round victory against St. Clair. The Ladyjacks finished with a fourth-place conference 9-5 record and take a 19-7 overall record into second-round play.

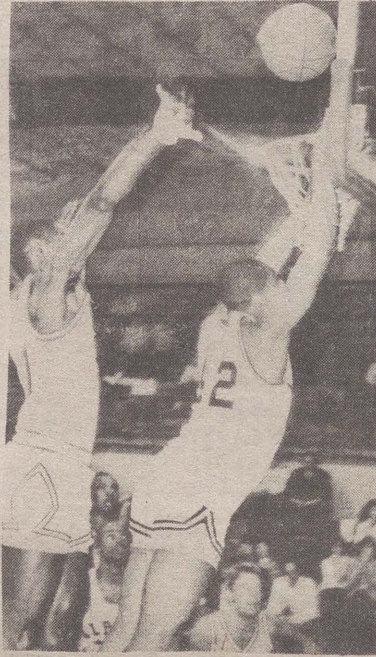

Although the men's basketball team faced a 10-16 overall season and 3-12 in the conference, they

showed the Michigan Christian Warriors they had enough spunk to edge them out for the second time this season.

The Jacks, being the only team to defeat them twice this season, came from behind to win 87-85. With 12 seconds left in the game and Alpena behind 85--84, Maurice Windom shot 3 points to win the game. Andre Reams led Alpena with 22 points.

The Alpena Ladyjacks seem to annihilate most every team bouncing their way. Roxanne Wheeler shot 22 points to nail the 108-42 victory over Michigan Christian. As if a big win like that was not enough, Alpena pulled off a David and Goliath game to bring a 105-101 overtime win to beat St. Clair.

CHEERLEADING TRYOUTS SCHEDULED

The Alpena Community College Cheerleaders would like to extend a welcome to any interested student to try out for next year's squad.

Tryouts are usually held in the middle of September so that the chosen squad has enough practice time to be ready for the men's and women's basketball games that begin in November.

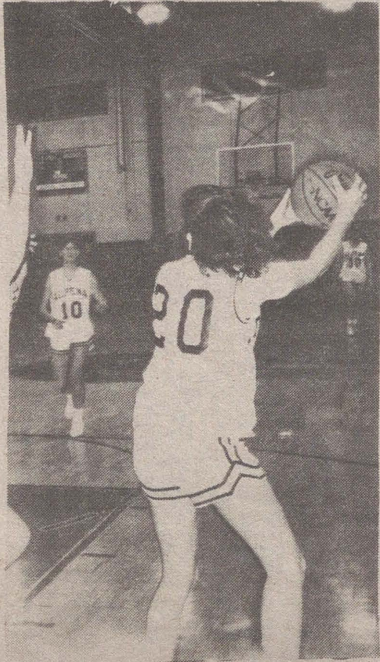

Cheerleading at ACC is not as demanding as in high school. But they do have the same goals in mind, such as promoting school spirit, demonstrating good

sportsmanship, and leading their teams to victory.

Practice is usually held two to three days a week, two hours a night, depending on the demands of everyone's work and school schedules.

Since their budget is limited, they do not travel to all the away games-but they do try to attend at least two of them.

The cheerleaders give up quite a bit of their free time for practicing and cheering at the games. They deserve a big hand for a job well done this season.
