

STUDENT SENATE

The Student Senate election is almost here. Nominations for secretary and representatives were turned into Student Senate. Elections will be held soon so be looking for ballot boxes to cast your vote.

Positions in the Student Senate consist of: president, vice president, secretary, and treasurer, which are the Executive Board members. Two Freshman and two Sophomore representatives as well as fourteen representatives from clubs at ACC, serve as part of the Student Senate.

Although it's too late to be nominated, the Student Senate is always interested in student ideas. Students are welcome to attend the Senate meetings which are held on Mondays from 12:00pm-1:00pm. at the BTC conference room, room 100.

"The Student Senates' main goal is to represent the students" according to Mike Fournier, Student Senate President.

"The Student Senate is organized to form a representative government to bring about a closer cooperation between the administration, the faculty, and further student cultural and social welfare," which is stated in the Student Senate Constitution.

There are three Executive Board Members in the student Senate currently. The names of the Executive Board Members are: Mike Fournier; President, Brent Voss; Vice-President, Daniel Hanks; Treasurer.

Ideas discussed by Senate President included the idea of bringing Foreign language back to ACC, a designated smoking area to solve the cigarette butt problem, and to be part of a statewide consortium with representatives of other Community Colleges in Michigan, to discuss issues at hand at a state level.

Activities being planned are: dances and casino night. There is also talk of forming a pep band and pep club to support the basketball team.

PEOPLE GET THE GOVERNMENT THEY DESERVE. ALSO STUDENTS.

BTC PATIO COMPLETED

Work was completed early this summer on the Besser Technical Center patio, according to Don Witt, Director of Buildings and Grounds.

The patio was built to replace a storage area, which had become unsightly and to provide a

nice clean area for student use.

Also built this summer on campus, from VanLare Hall to Besser Tech, was the goose fence. "I believe the goose fence has solved the problem of keeping our sidewalks clean." said Witt.

Other plans for the year are

few. "No construction is planned for this year, we're going to be doing our best to keep up". explained Witt.

This is due to a shortage of work study helpers, resulting in understaffing.

The club has five officers, the President, John Putkamer, Vice President, Mark Bluck, Secretary, Sherri Samp and Treasurer, Brenda Olsen. New this year is the office of Sheriff, which is held by Ken Allen. His purpose is to provide "comic relief" for the club.
