LUCK

ACC's annual Casino Nite was held on Friday, March 17 at the Holiday Inn Holidome. Over 200 people attended and the activity was a major success. Prizes included a Nintendo game system and a color television.

1989-90 Student Senate President, Jeff Hanson, was on hand to run the craps table.

ACC instructor, Richard Matteson, even got in on the act. Here he is dealing a hand of blackjack.
