of each ACC graduating class. He also earned the Kathy Gouin Award, which honors a top nursing student. Kathy Gouin is a veteran instructor of nursing classes in the associate degree program, and as far as Ken is concerned, she is "the goddess of nursing." His goal: "to be half the nurse she is."

Ken is now employed as an Alpena General Hospital Home Health nurse. He loves his job and says that "nursing is the most wonderful thing in the world. I can't imagine myself doing anything else!"

Ken is very enthusiastic about nursing and about Alpena Community College as well. He feels that everything about ACC was helpful in achieving his goal, from the advice he received from his advisor, Kathy Gouin, to the financial aid guidance provided by Max Lindsay and Maria Schoenbaum, to all the staff in the Campus Services office.

All of these individuals knew their jobs well, Ken says, and they put in the extra effort to support and encourage him personally... "and that's not even part of their job!"

## Alpena Community College Tuition Refund Policy

Full refund (100%) of all tuition paid will be issued provided a Drop/Add Form is processed and in the possession of the Campus Services Office in Alpena prior to 3:30 p.m. **Friday, Jan. 24, 1997**, the last day of enrollment for the semester. **Classes may be added or dropped with tuition refund through Friday, Jan. 24**, by submitting a completed Drop/Add Form and a \$5 fee for each form processed.

## Do you need the ASSET Test?

The ASSET (that stands for Assessment of Skills for Successful Entry and Transfer) helps assure your success by placing you in course work for which you are adequately prepared.

The ASSET measures the level of writing, reading and numerical skills. Many program texts require high reading or math levels. These skills are the foundation for success, and if scores indicate an area of weakness, the you will be advised to enroll in classes designed to improve those skills as a prerequisite for some courses.

Students who are enrolling full time, and those taking a math or English course for the first time at ACC are required to take the ASSET. Because proper placement is a key to success, however, the ASSET is recommended for all students.

Contact the college admissions office at 356-9021, Ext. 229, if you have questions about the test.
