Elizabeth Barry (above) teaches an ACC algebra class in one of eight classrooms at the Huron Shores Campus in Oscoda. Renovation of the former Wurtsmith Air Force Base headquarters building to house the College were completed in 1996.

## \$1 million project creates Huron Shores Campus home

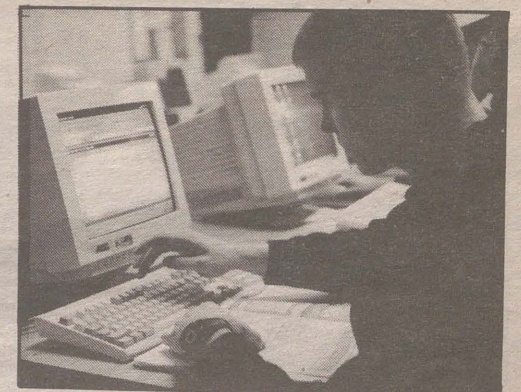

OSCODA— Through a public benefit transfer in 1995, Alpena Community College took ownership of the headquarters building at the former Wurtsmith Air Force Base. Acquiring the three-story, 30,000 square-foot facility, however, was only the first step in establishing a permanent home for the Huron Shores Campus.

The second step — creating a first class facility for instruction — required an investment of nearly \$1 million.

A heating and ventilation system

Six Huron Shores Campus students were able to take CJ 121 Intro to Criminal Justice because the interactive video room allowed Alpena Campus instructor Mike Roy to teach in two places at once (below). Lake Superior State University is bringing in bachelor's degree completion course work via the interactive site, where students can see, hear and talk to students and an instructor at another site.

At right, Ross Allen of Tawas uses Excel 97 in the 25-station Huron Shores Campus computer lab. He is completing general requirements at Oscoda in preparation for transfer to a chiropractic college in Palmer, Iowa. (ACC photos by Carlene Przykucki)
