HELP! In Case of Accidents.

Drowning. 1. Loosen clothing, if any. 2. Empty Lungs of water by laying body on its stomach and lifting it by the middle so that the head hangs down. Jerk the body a few times. 3. Pull tongue forward, using handkerchief, or pin with string, if necessary. 4. Imitate motion of respiration by alternately compressing and expanding the lower ribs, about twenty times a minute. Alternately raising and lowering the arms from the sides up above the head will stimulate the action of the lungs. Let it be done gently but persistently. 5. Apply warmth and friction to extremities. 6. By holding tongue forward, closing the nostrils and pressing the "Adam's apple" back, (so as to close entrance to stomach), direct inflation may be tried. Take a deep breath and breathe it forcibly into the mouth of patient, compress the chest to expel the air, and repeat the operation. 7. DON'T GIVE UP! People have been saved after HOURS of patient, vigorous effort. 8. When breathing begins, get patient into a warm bed, give WARM drinks, or spirits in teaspoonfuls, fresh air and quiet.

Burns and Scalds. Cover with Cooking Soda and lay wet cloths over it. Whites of Eggs and Olive Oil. Olive or Linseed Oil, plain, or mixed with Chalk or Whiting.

Lightning. Dash cold water over a person struck.

Sunstroke. Loosen clothing. Get patient into shade, and apply ice-cold water to head.

Mad Dog or Snake Bite. Tie cord tight above wound. Suck the wound and cauterize with caustic or white-hot iron at once, or cut out adjoining parts with a sharp knife.

Venomous Insects Stings, &c. Apply weak Ammonia, Oil, Salt Water, or Iodine.

Fainting. Place flat on back; allow fresh air, and sprinkle with water.

Tests of Death. Hold mirror to mouth. If living, moisture will gather. Push pin into flesh. If dead the hole will remain, if alive it will close up.

Cinders in the Eye. Roll soft paper up like a lamp lighter and wet the tip to remove, or use a medicine dropper to draw it out. Rub the *other* eye.

ANTIDOTES FOR POISONS.

First. Send for a Physician.

Second. INDUCE VOMITING, by tickling throat with feather or finger. Drinking hot water or strong Mustard and water. Swallow Sweet Oil or whites of Eggs.

Acids are antidotes for ALKALIES, and *vice versa*.

BIG MINSTRELS.

Crabbe's Aggregation Showed to Crowded Houses Saturday—Performances a Huge Success.

Crabbe's Metropolitan Minstrel organization gave two performances in Mrs. Comstock's barn, State st., Saturday afternoon and evening. The admission was one and two cents at the Matinee and three and five cents in the evening. About 175 people attended the two performances and the boys cleared \$3. The aggregation put up a good show and there were a number of startling stunts that would make a professional minstrel "go away back and sit down." Singing, dancing, dialogue, acrobatic feats and an olio filled out the program and the audience was well pleased.

Carl Henry was interlocutor and the end men were Bob Crabbe, Frank Dunlop, Russell Irving and Grant Freer. In addition, the other members of the troupe were Mason Johnson, Roy Richardson, Gordon Kimball, Rush Young, Earl Hopp, and Andrew Comstock.

Some of the jokes and songs were up-to-date and made a hit. Considerable histrionic talent developed and the boys may conclude to put the show on again more elaborately.

Indoor Baseball.

The 20th Century Juniors' indoor baseball team and the nine of the Congregational Boys' club will play a game of indoor baseball in the armory tomorrow evening.

The members of the teams are as follows:

Juniors—Carl Brown, Frank Hoffman, P. Dunlop, B. D'Aigle, A. Potvin, Will Doyle, P. D'Aigle, F. Timmerick, E. LaLonde and F. Brown.

Congregational club team—Nason Johnson, Grant Freer, Carl Henry, R. Young, Fred Buchanan, J. Culligan, Andrew Kimball, Frank Willis, Joe Block and W. Fraser.

LUCKING BEAT CORLISS 3,357

John B. Badly Slashed By Republicans.

TOTAL VOTE WAS 20,074

In the First Ward Corliiss Was Beaten By 115.

Alfred Lucking is elected congressman over John B. Corliiss by 2,054 to 1,939, his plurality being 115.

A peculiarity of this contest was the slashing Mr. Corliiss received in the heavily Republican wards, while in some of the closer parts of the city the vote showed that many Democratic workmen went to his assistance. Thus, in the First ward, he was beaten by 115; in the Second, he had only 24 to spare, and in the fourth he ran 18 behind Lucking.

The vote by wards was as follows:

Ward	Corliiss	Lucking
First	1,245	1,462
Second	2,295	1,994
Third	1,213	1,236
Fourth	1,214	1,200

BURNT CORK ARTISTS.

Gave a High Class Minstrel Performance Saturday.

Crabbe's aggregation of burnt cork, all star artists, held forth Saturday, and put John Venzel, Bill Hanes, and Hanes & Holland's aggregation of minstrels so completely in the shade, that they should go way back and sit down, lay down, or what would be more proper, get off the earth, entirely.

This aggregation of performers with bones and tamborines, is composed of eleven youngsters living in the First ward, and at the initial performance given in the afternoon, showed that they possessed the prettiest proclivities which is necessary to success.

The performance was given in the State street coliseum, (Comstock's barn) and was witnessed by over 100 people, whose laughter and cheers could be heard in the adjoining blocks. The evening performance, at which none of the acts were omitted, was witnessed by about five hundred, or 50 people.

The company made two street demonstrations, in the morning, and again in the evening. The receipts for the two performances was \$2.07, which shows that the people of the First ward appreciate a good thing when it presents itself.

The personnel of the company is as follows:

Interlocutor, Carl Henry; end men—bones, Grant Freer, Russel Irving; tamborines, Frank Dunlop, Robert Crabbe; specialty artists, Gordon Kimball, Mason Johnson, Roy Richardson, Earl Hopp, Andrew Comstock, Russ Young and Dan Clark.

The performance is said to have been good.

The characteristic originality of youths of 10 and 12 years of age was brought into effect, and ideas were suggested that George Thatcher, Fred Fritzsche or Frank West, never thought of, even in their palmiest days. The performance will be repeated in the near future, and Manager Crabbe requests that the minstrel loving public keep their eyes on The News for announcements.
